• What is

La Porte
High School

La Porte,
Indiana

L. P. H. S.

?

L.P.H.S. is people, classes, and activities

A problem that cannot be overlooked exists for all American high schools today. L.P.H.S., like all other schools throughout the nation, faces an increasing enrollment every year. To meet this influx of students four new classrooms were added during the summer. In addition, a teachers' lounge and counselors' offices were constructed.

What is L.P.H.S.? Well, let's find out. There are approximately 1375 students with a faculty of 59. A variety of interests are covered by the 39 clubs and organizations. The musicians may participate in any one of the four choirs, band, orchestra, or dance band. For the actors and actresses there are two all-school plays.

L.P.H.S. is also sports. It offers baseball, basketball, football, track, cross country, swimming, wrestling, golf, and tennis. This is four sports over the required five necessary for membership in the ENIHSC. Bowling, volleyball, and girls' athletics are also available to the students although there is no school sponsored team participating in interschool contests.

Aside from the extra-curricular activities, L.P.H.S. is a comprehensive high school. That is, it takes care of all students. This set-up is used in most cities of this size. Actually the high school is five-in-one. The five divisions are liberal arts, which includes the languages, chemistry, history, and economics; vocational arts; fine arts, including music and art; commercial; and the general course.

The sidewalk in front of the building proves to be a popular place as the students wait for the bell to ring.

Through these familiar doors pass the majority of students. Let's join them for a tour through the high school.

During the second semester we found that there were 27 classes being offered in the vocational area. These classes were in drafting, printing, machine shop, wood shop, and home economics. In the fine arts field there were thirteen classes in art and vocal and instrumental music. Business English, bookkeeping, typing, shorthand, and commercial law make up the 22 classes in the commercial department.

In the liberal arts department we found that there were 27 classes in the social studies department. The science and math department has 51 classes. There are also 51 classes in English offered in L.P.H.S. Seventeen classes in French, Latin, and Spanish are being offered. In the health, safety, and gym areas there are 27 classes.

Let's take a tour to see L.P.H.S. in action. As one enters the building, the first thing he

sees is the showcase. About once a month during the school year, the showcase display is changed. Several Clubs help decorate it. A few of them are Spanish Club, Social Studies Club, French Club, and F.H.A.

As one turns to the right he passes room 8 where English and sociology are taught. The book store is next to this room. During the summer it was moved from the main office on second floor to its present location. The two other rooms here are the scene of classes in health, safety, civics, economics, and psychology.

Proceeding down the hall, he passes the runway leading to the annex. This part of the high school was built in 1931 when more room was needed for classes. It now houses the music and

commercial departments and classes in industrial arts, speech, and Spanish. It was remodeled somewhat last year to make a new band and

orchestra room. The choir room was converted into an office for the Dean of Girls and a classroom.

Shorthand, another commercial course offered at L.P.H.S., offers students valuable training for a future in secretarial work.

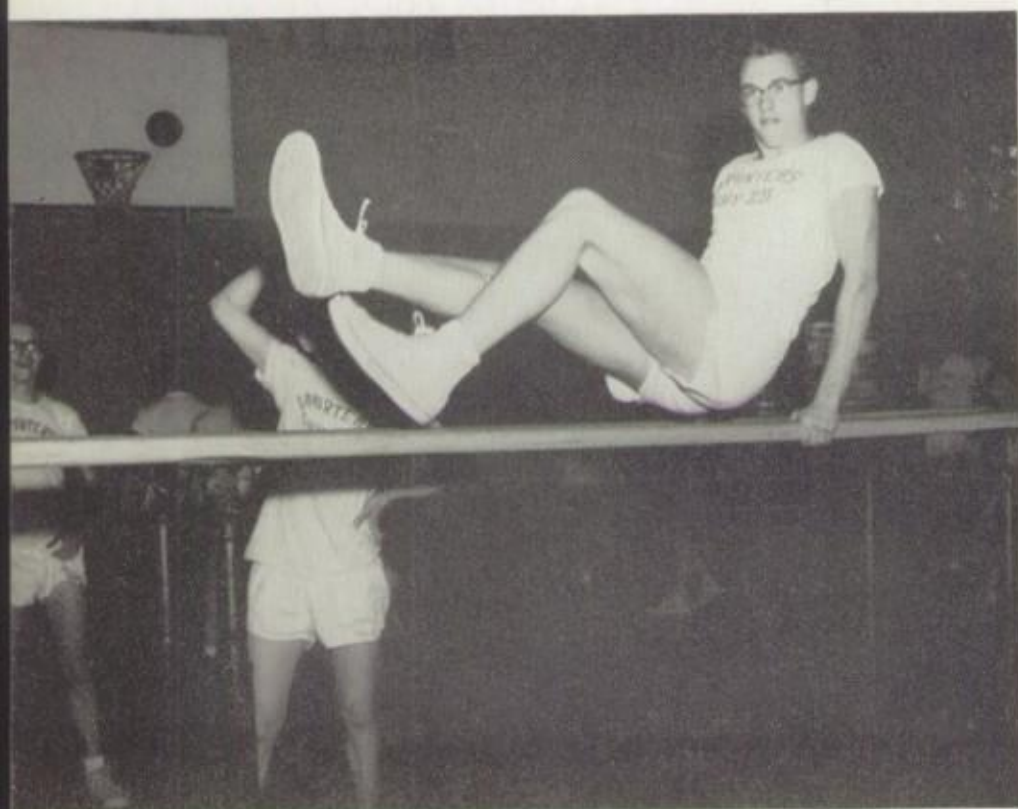

Chuck Rose is taking letters from a type case as he prepares to print some pass slips.

Fran Anderson and Larry Dixon draw constructions to prove a geometric theorem to their fellow classmates.

Beyond the runway are two more classrooms on the right and the projection room on the left. Various classes meet in the projection room to view films connected with the particular subject being studied. At the end of this hall, next to the exit, is the entrance to the boys' locker and shower room. The coaches' and athletic office are here, too.

On the second floor on this side of the building is junior study hall. Most of the freshmen

and sophomores are assigned to this study hall. Across from the study hall is the new counselors' offices which were constructed in the old stairwells during the summer. The counselors for each class now have private offices; the seven counselors share the four private offices. The secretary to the counselors is in the main room. This secretary and the seventh counselor were added to the counseling staff this year to meet the growing needs of the increased student population.

Mr. Jean La Grange, a former joint-state representative, discusses civics with Martha Hurley, Marilyn Senne Gierke, Norm Tonsoni, and Dave Seidler.

Chuck Rambo and Pete Elshout find that trig is easier when one knows how to manipulate a slide rule.

The office messengers run various errands for the counselors and the secretaries. Here Rosie Blank-schein, one of these messengers, leaves the main office with a note for a student.

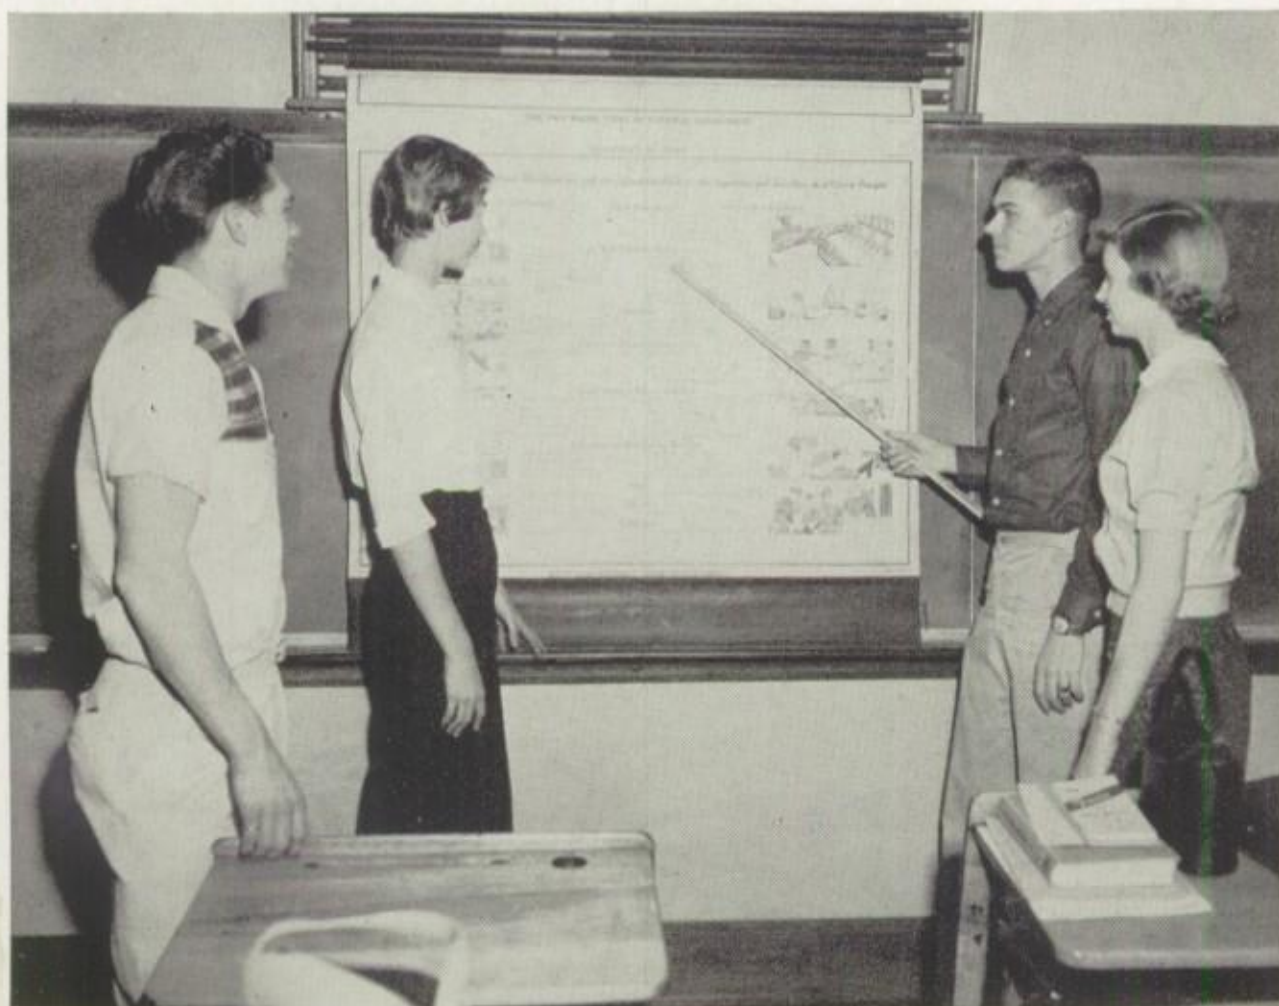

Marcia Miller, Betty Bowen, Joanne Dalrymple, and Kay Pierce are among several high school girls who help the office staff carry on its work.

This part of the second floor is a very busy area as the main office and principal's office are also located here. These offices are the center of activity during the school day as many students and teachers come and go through the office doors on school business. Several high school girls help the clerk and the principal's secretary

carry the load of the school's official business. These offices are also the center of information. The teachers have a bulletin board for notices and boxes for mail. The students' bulletin is read over the public address system every day. Books and school records are also stored here.

On leaving the main office the tour shall proceed to the end of the hall on third floor. Here is room 216 where sociology is taught. Directly across the hall from this room is a side entrance to the auditorium and the reading room. The reading instruction course taught here is an elective, although no credit is received. Its purpose is to increase one's reading rate, comprehension, and vocabulary.

The next room on this side of the hall is the new speech room which was constructed in the stairwell over the counselor's office. Since there are no windows in this room, lighting is provided by electric lights which are made to look like skylights.

Harold Rinchart tells Carolyn Wrase, "This is Waterloo where Napoleon was defeated."

English, history, and math are taught in rooms 216, 215, 214, 213, and 212. As we go by them we might hear someone ask, "Why bother about dead ones?" However, history helps us to think intelligently about the problems of today, to understand the people of all ages and times, to set up high ideals, and to enjoy many of the finer things of life. The work of the social studies courses, as a whole, is to help one become a responsible citizen of the community.

We might also hear, " $3x+2y+3z=7$ " as we go by another room. Mathematics is important in strengthening one's reasoning ability. It helps a person become more able to handle the family budget and business transactions.

Jerry Mrozinski and Janice Cains use a microscope to carry out their biology investigations.

important; we see students working hard

The Science Department takes up the entire north side of the building on the third floor. The two corner rooms, 211 and 207, are occupied by biology classes. Physics and chemistry classes are held in rooms 210, 209, and 208.

The subjects of mathematics, physics, and chemistry make up the "exact sciences" and together provide the basis for all phases of modern engineering, medicine, and practically every other field of work.

Chemistry, itself, affects every part of our daily life. In a century that has witnessed the development of the atomic and hydrogen bombs, jet propelled aircraft, guided missiles, and satellites, the "exact sciences" have become extremely important.

Now as we continue on our tour we visit the new art room. This room was also built in a stairwell.

Making posters in art class to advertise the fall play, "Belles On Their Toes," are Jeanne Slater and Norma Sceifres.

We leave math and languages and

On the left side of the hall there are five more classrooms. In room 206 there are a variety of classes held, including U. S. History, geometry, and health. The next three rooms hold classes in French and Latin. Four years of Latin are now being offered. During these four years the life and religion of the Romans, pronunciation, vocabulary, grammar, Latin stories, and the

works of Cicero and Vergil's Aeneid are studied.

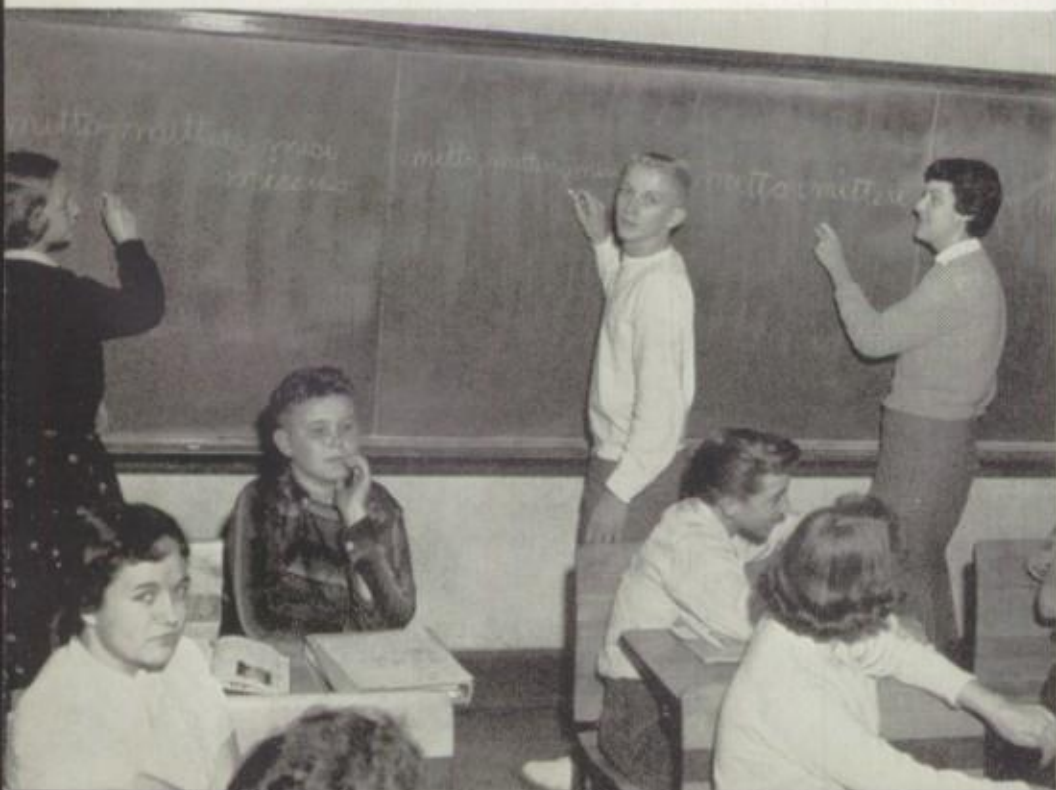

If we visit room 204, we might be asked "Parlez vous Francais?" Of course you know that this is French meaning "Do you speak French?"

After passing a math room, room 202, let's go down the stairs to second floor.

Tom Hubner and Gretel Braidwood take over the teacher's duties long enough to explain a problem in advanced algebra class.

Donna Sies, Tom Freese, and Joyce Guglielmetti are sent to the board in Latin class to write the four principal parts of the verb "to send."

We will have to stop a minute to show the monitor our pass. If we didn't have one, we would be given a summons to appear in the student court.

The senior study hall is located on the right side of this hall. On the left is the new teachers' lounge which was built during the summer. The teachers may relax here with refreshments during their planning periods.

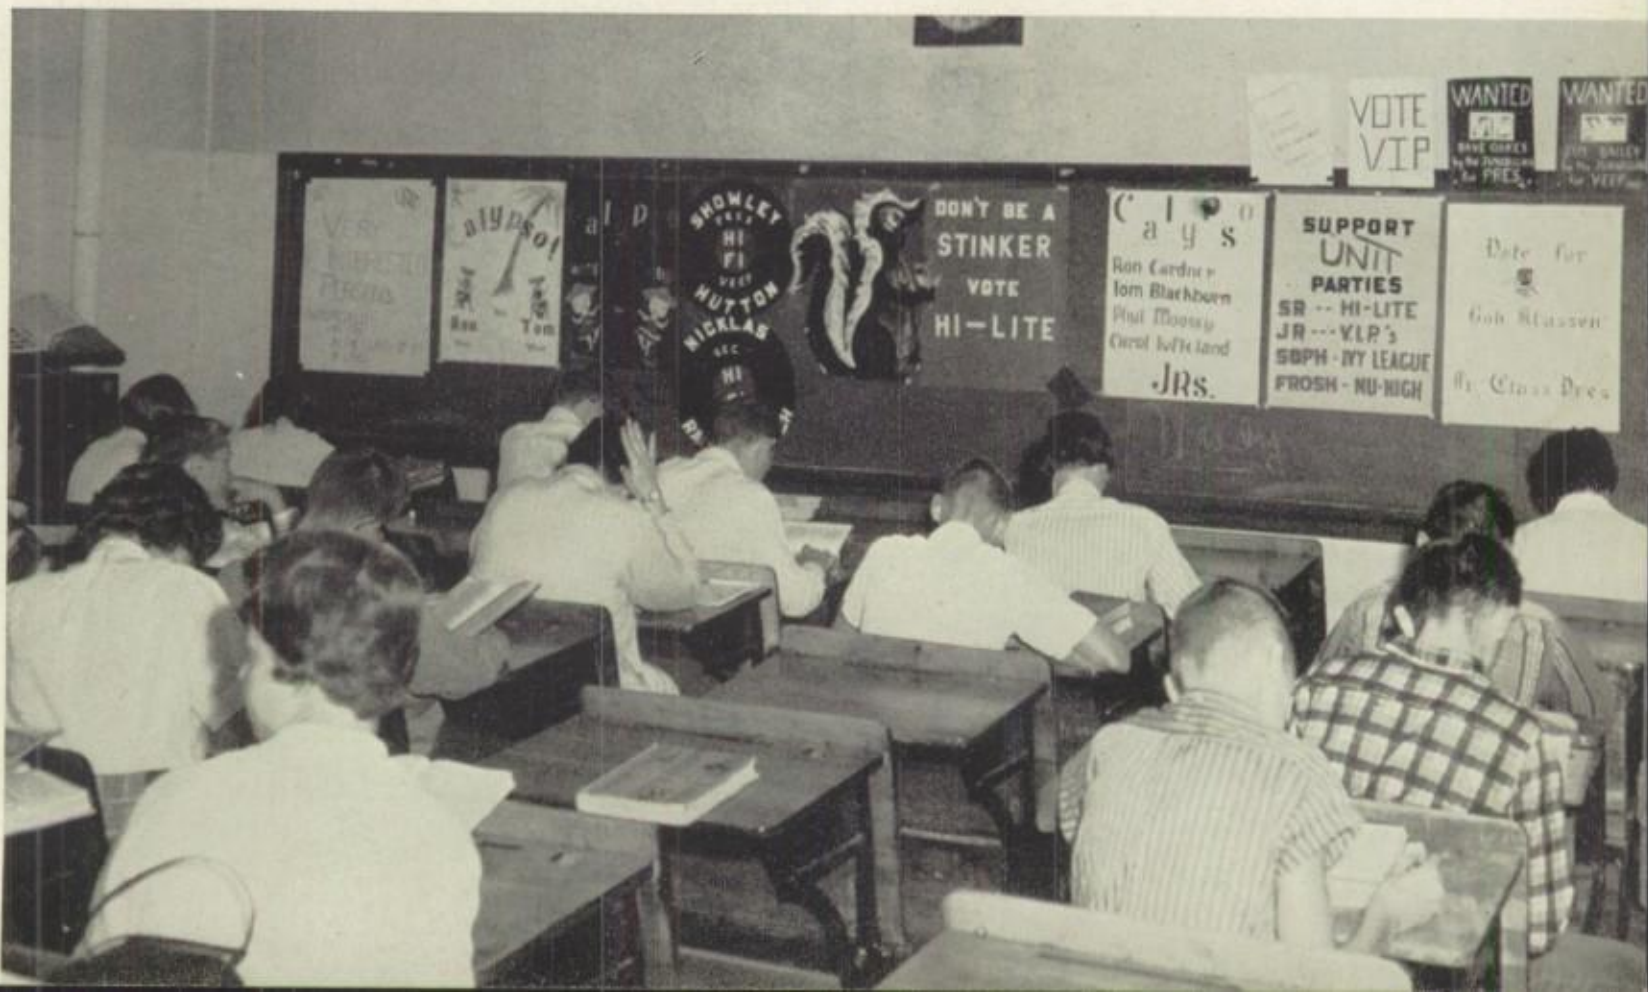

The library, which was enlarged during the summer, is located in the corner of the second floor hall.

Enjoying a free period during the school day, Miss Brock and Rosalie Gleim, a student teacher, look through magazines in the new teachers' lounge.

In senior comp class Judy Barden, Margie Pekofske, Jim Blanchard, Shirley Garrett, Dave Seidler, and Virginia Shamo work on their biggest project during the semester—the term paper.

We notice classes, bulletin boards and

As the tour proceeds down the hall it comes to another new room. Last year this room was occupied by the superintendent and his staff but it is now occupied by English classes.

English is of great importance in the world of today. In L.P.H.S. the English course is divided into three six-week sections: speech, composition, and literature. Speech helps a person gain poise and self-confidence before a group

and improves one's oral expression. A student learns the mechanics of English grammar in composition. One also learns how to express himself clearly in writing. Understanding the background of our culture is the goal of the literature section.

Beyond this English room to the left we see the trophy case. Now let's go back down to the first floor and turn to the left.

The first room that we come to is the sewing room. Twelve semesters of home economics are offered. Room 5 is the home economics kitchen.

Some students buy their lunches in the cafeteria, which is located in rooms 5 and 4. Then they go to the rec room to eat.

The last classroom on this hall is a history classroom. Beyond this room are the offices of the nurse and the attendance director.

Next to the exit is the girls' shower and locker rooms. As the tour of L.P.H.S. is now complete, we shall leave through the rear door.

After touring the building with the students, we leave school through the rear door.

In a tavern scene from "Uncle Harry," Jerry Mayes, Paul Stoffer, and Bill Kelly propose a toast to Uncle Harry, Mike Sharpless, while Judy Valentine serves Dan Blackburn.

We had mixed emotions as we

In its second dramatic venture last year, The La Porte High School Players presented "Uncle Harry" on March 28 and 29. It was under the direction of Miss Carolyn Elkin and three student directors, Judy Gerbrick, Bob Klassen, and Marta Weinstock.

Sister Hester, Kay Edmonds, listens as Lucy, Ruth Hacker, tells Uncle Harry that she plans to marry George Waddy.

"Uncle Harry" brings memories of tragedy and comedy, for the play was a combination of both. Mike Sharpless portrayed Uncle Harry, a pathetic old man who had been henpecked and domineered by his two sisters all his life. The two sisters were Hester and Lettie, played by Kay Edmonds and Nancy Lewis, respectively.

The story begins with a visit of a former sweetheart of Harry's, Lucy, played by Ruth Hacker. On this visit she makes known her intentions of marrying George Waddy, Burl Shubert. Harry, who misunderstands a remark made by Lucy, is led to believe that if it were not for his two sisters, Lucy would still come back to him. He then forms a very clever and fool-proof plan of ridding himself of both sisters. He murders his older sister, Hester, by poisoning her cocoa. However, he manages to do this in such a way as to frame his other sister, Lettie. Lettie is brought to trial, found guilty of murder, and sent to prison.

At this point Harry is confident that Lucy will come back to him again, but when he presents the plan of marriage to Lucy, she flatly refuses him. With this turn of events, he realizes that he no longer has anything to live for so he goes to the governor, played by the late Tom Curtis, and confesses his crime. Lettie is then brought from her cell by the matron, Rose

Doruk. She sees through Harry's plan and refuses to accept his confession, for she, too, sees no purpose in living. She also feels that she is ready to die. Burton, Jim Rose, is witness to these events in the governor's office.

As the play ends, Harry is alone and tormented by his thoughts. He has only the memories of the happier days when he could visit

with his friends, Mr. Jenkins, Albert, D'Arcy, Blake, and Ben, at the tavern while Miss Phipps, Judy Valentine, served them drinks. These men were played by Chuck Rambo, Paul Stoffer, Dan Blackburn, Jerry Mayes, and Bill Kelly, respectively. His home is also completely broken up as even the housekeeper Nona, Ruth Hargrave, quits because of the conditions.

Lettie tries to convince Uncle Harry that she is guilty of the crime he committed as Burton, Jim Rose; the prison matron, Rose Doruk; and the governor, the late Tom Curtis, listen.

Ten of the "dozen" hear last minute instructions before Mrs. Gilbreth, Ruth Hargrave, leaves for her lecture tour. Tom, the handyman, Monte Rehlander, also listens.

We were entertained by the comical

While Mrs. Gilbreth, portrayed by Ruth Hargrave, is on a lecture tour, the ten children are resolved to run the house successfully to prove how reliable they are. In order to save money the children decided to make their own root beer, and do a lot of swimming which is

spare room to a Mr. Hathaway, played by Todd Fay.

To the horror of all concerned, snoopy Cousin Leora, Mary Jo Predd, drops in to check up on the family. She quickly decides the children should be sent out to be cared for by relatives. However, Bob, Walter Orr, comes down with the chicken pox. In his visit, Dr. Bob, Jay Gierkey, quarantines the whole household. All the children contract the disease including Bill, Frank, Lillian, Fred, Dan, and Jack. These characters are portrayed by Joe Ford, Jim Rahfeldt, Kay Bryant, Tom Malone, Jim Wallace, and Richard Yoder, respectively.

The girls have agreed to give up dates; and when a young man, Chuck Rambo, appears, the kids, thinking he is Martha's date, scare him off. However, he is the one more student needed to make Mrs. Gilbreth's school a financial success.

The roomer leaves and at the same time the \$190 they had saved disappears. Tom, the han-

dyman, played by Monte Rehlander, hits Cousin Leora with a tennis racquet, and she calls in Mr. Crawford, a policeman played by Bob Klasen.

This three-act comedy presented on November 21 and 22, 1957, was directed by Miss Vera Kellogg with the aid of her student directors, Sherry Veller and Jim Rose.

Martha discusses business with the young man who was needed to make Mrs. Gilbreth's school a financial success.

Ernestine's steady, Al Lynch, the Nantucket Hot Dog, played by Jerry Mayes, sneaked in to serenade her, but left in a huff.

Mrs. Gilbreth arrives home just as Tom tries to explain to the policeman why he had hit Cousin Leora.

And we worked many hours backstage to

Carol Newlon, Connie Roule, and Mary Louise Uebele practice applying make-up on Nancy Lewis, Mary Linda Shehorn, and Ruth Hargrave.

It takes the hard work of many people behind the scenes to put on a successful play. This work is done by several committees made up of interested students. These students may be seen after school, on weekdays, and on Saturdays painting scenery and gathering properties and costumes. On play nights the make-up committee transforms the cast members into the characters which they are playing.

Members of the property committee, Jim Rose, Susan Hargrave, Carol Newlon, Danny Travis, and Esther Moseley work on the walls for the set of "Belles On Their Toes."

present these successful plays

Ruth Hacker and Jane von Asch, student directors, and Kay Pierce, a member of the property committee, check to see what is available in the store room for the set of "You Can't Take It With You".

Since the two plays are all-school plays, any student in L.P.H.S. may serve on a committee or tryout for a part in the play. The student directors play an important part in all these activities. Besides helping the faculty director, they see that all of the committees are functioning.

At the January P.T.A. meeting, Esther Moseley, Sharlene Kendall, Barbara Kaminski, Mr. Hargrave, Bill Shick, Marlene McFeeley, and Stanley Hannah discussed "The Value of High School Activities to the High School Student."

Mr. Simpson rehearses with the four soloists for the annual A Cappella choir concert. Left to right are Dave Reeve, a baritone who sang "Lord, Make Me To Know"; Kay Bryant, a soprano who sang "I Will Comfort You"; Mr. Simpson; Pat Harrer, accompanist; and Bill Carbon, also a baritone who sang "Here On Earth We Have No Continuing Place".

We saw the A Cappella choir and BSC

Annually the A Cappella choir presents a musical show. Last May, under the direction of Mr. David Simpson, it gave Brahms's oratorio, the "Requiem". This was a more serious type of musical than the choir usually presents. There was no scenery on the stage, just the choir and a piano. The program itself consisted of seven numbers, including three solos.

The 1956-57 A Cappella choir which presented the "Requiem".

Soloists for Lights and Music, were Nancy Nicklas; the Senior Chords—Steve Grove, the late Tom Curtis, Herb Ramp, and Chuck Asmus; and Judy Valentine.

score hits in their spring presentations

Lights and Music, Vol. II was presented last April. This musical show, which is becoming an annual event in L.P.H.S., is sponsored by the Boys' Service Club. The proceeds from the show go into the treasury to help finance some worthwhile service projects. In the past the Boys' Service Club remodeled the recreation room. This year it gave a considerable sum to the organ fund and the members have high hopes of continuing this program of service in the future.

This musical production is staged with special lighting effects, thereby getting its name, Lights and Music. A special feature of the program was a drum solo by Lee Haertel in which he gave his rendition of "Elk Dance". All the lights in the auditorium were turned off except a black light. The only thing visible was the glow of Lee's gloves and drumsticks, which had been specially treated with a fluorescent substance, as he beat out the rhythm of the piece.

The members of Boy's Service Club gathered with the cast of Lights and Music, Volume II, for the picture.

We enjoyed assemblies

Among the favorite pep sessions held this year were "This Is Your Life", "Tonight", and the faculty pep session. Pictured left to right on the top of the page are J. Gatzka, J. Mayes, Miss Walk, Mr. Moeller, Joe Ford, K. Bryant, Miss Mr. Bernard.

On October 22 the Schmidts, a husband and wife acrobatic team, entertained the student body. They stressed the importance of physical and mental fitness.

The dedication of the Lincoln pictures that were contributed to L.P.H.S. by Mr. Ralph Fletcher Seymour took place on May 27, 1957. Mr. Seymour hopes that the illustrations will remind the youth that they have the good fortune of being raised "in the best spot in the best country in the world for living useful and happy lives."

and envied the seniors

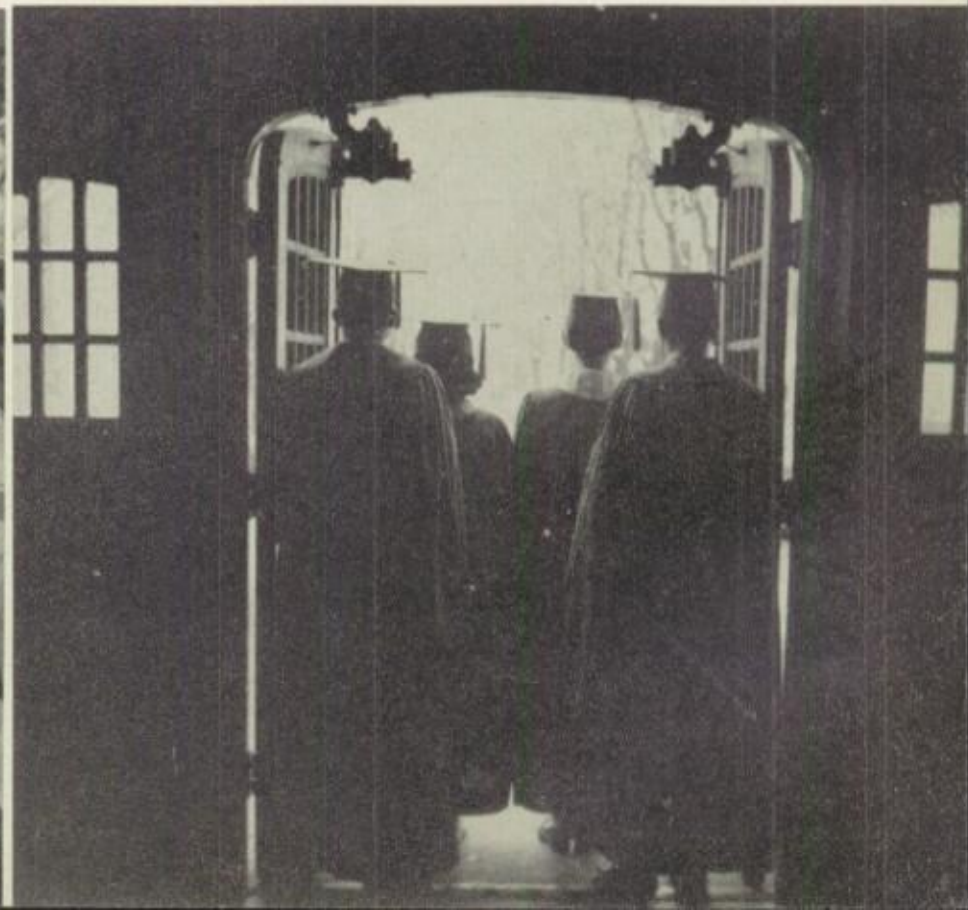

The last few weeks of the school year are especially busy for the seniors. Things begin to happen about the middle of May when they honor the juniors at the Jr.-Sr. banquet. Last year a melodrama "The Terrible Troubles of Tiny Tess" was presented as a part of the entertainment.

Then the many outstanding students are recognized at the annual Achievement Day assembly. Their achievements present a challenge to the others.

Last year the El Pe staff handed out the annuals at an autograph dance. This was held the day after the Jr.-Sr. Prom.

Class Day, the seniors swan song, is put on entirely by the Senior Class under the supervision of the two class sponsors.

Finally, four years of study are ended when the seniors receive their diplomas at the commencement exercises.

The Spanish Club suggests that the Slicers are "Out of This World" with their winning float.

We celebrated homecoming with

Fall brings football to L.P.H.S., and during the season the students celebrate homecoming with a parade and pep rally at Kiwanis Field. This gives all the clubs and organizations in L.P.H.S. an opportunity to support the team by constructing floats and decorating cars for the parade.

There are some very clever ideas carried out by the floats in the homecoming parade, as each

club tries to out-do the other. A good example of the competition in this year's parade is shown by the Spanish Club's entry which portrays "Sputnik". This float and the Olympian Tri-Hi-Y float gained first and second place honors, respectively.

When the night of the big game arrives, everyone is tense and eager to see if the Slicers can come through with a homecoming victory.

However, winning the game is not the only concern of the students of L.P.H.S. Many anxiously await the announcement of the homecoming queen, whom they have elected. Becoming queen of the homecoming festivities is a coveted honor.

At the halftime when the queen is announced, the marching band forms a heart in her honor as well as demonstrating their skills with other formations. The parents of the varsity football players are introduced to the spectators. Homecoming is enjoyed by all in L.P.H.S.

Terry Havens tries to evade a Washington Clay Colonial as he attempts to snare a pass during the homecoming game.

Various stages of excitement are revealed on the faces of L.P.H.S. students as they watch the Slicers during a tense moment of a close game at the Civic.

We cheered loudly as

Reserve cheerleaders, kneeling, Jean Lewis and Joan Sawyer, standing Genevieve Jacobson and Karen Baker, pose for the El-Pe photographer in the corridor at the Civic.

Every football and basketball team is built on the individual player's skills, the spirit and work of the team as a whole, and the support given them by their followers. This third point, the fan's encouragement, is often the most important.

Many times during the season the Slicer teams have had their backs against the wall. Here is the spot when the teams need to hear the students cheering them on to victory from the stands. At times the cheering section comes alive spontaneously; other times the team's supporters have little hope and the stands remain quiet. It then becomes the task of the cheerleaders to change a quiet cheering section into a unit of enthusiastic team boosters.

Last spring cheerleading tryouts were held by the pep committee for all interested girls. A few days later, those girls selected by the pep committee appeared before the student body in a second tryout. Each member of the student body voted by rating the ten girls which he thought best.

The six girls who received the most points became the varsity cheerleaders. These six were Judy Barden, Jermayne Fritzen, Shirley Garrett, Nancy Jasinowski, Judy McCorkel, and Connie Roule. The next four girls in line were Karen Baker, Genevieve Jacobson, Jean Lewis, and Joan Sawyer. They became the reserve cheerleaders and lead the cheers at the reserve basketball team's home games.

Elections are also held for selecting the queens of various activities during the school year. Usually each class picks two candidates for queen by secret vote. Then the entire student body votes to select the queen from one of the eight girls.

However, only juniors and seniors are eligible to vote in the preliminary and the final election of a senior girl for prom queen. Being elected a queen in L.P.H.S. is a coveted honor. It is also an honor to serve in the queen's court and help the queen reign over the gay festivities.

"Opening Night", the big social event of the year in the lives of all juniors and seniors took place last May 31. As the couples arrived, they were announced by the master of ceremonies. Dancing took place under two marquees and the starlit sky. The New York skyline could be seen at one end of the floor. At the other end, the couples could relax with refreshments on Rockefeller Plaza.

About mid-night most of the couples assembled at the National Guard Armory. From there they were chauffeured to the LaPorte Theater for the showing of "Kelly and Me."

Dancing under the theatre marquee announcing the play, "Most Happy Fella", was enjoyed by Rose Doruk and Roger Arend, Carolyn Baxter and Dave Reeve, and Julie Johnson and Dennis Barden.

Red-Hot Second Half Gives Local 11 Victory; Line Plays Pay Dividends

BY KARL A. CHRIST
(H-A Sports Editor)

LaPorte's Slicers, red-hot in the second half, made smart plays off tackles and guards pay off to smash proud Hammond High into defeat on the Wildcats' field last night, 12-6.

The game was the opener of the season for both teams, with the loss boding no good for Bernie Krueger's team which is the defending champion of the NIHSO western division.

The victory was particularly sweet to LaPorte Coach Stan Klimczak, who is head coach of the Slicers for the first time this year.

After battling to a scoreless tie in the first half, marked by several costly fumbles by each team, LaPorte slashed down the field for its first touchdown on a 52-yard run by fullback Bob Strieter.

Fall On Run Try
Jerry Burkhardt tried to run left end for the extra point but was hauled down short of his goal.

A few plays later, Hammond took possession on its own 36 and marched down the field to tally on a three-yard plunge off tackle by Wildcat Larry Wiley, Lou Reynolds, sharp in his passing attack throughout the evening, tried to hit and George Byers with an aerial for the extra point but missed.

LaPorte wouldn't say die and had the ball on the Hammond 21 when the fourth period opened. Three plays later, Terry Havens smashed off left guard for the tally in a five-yard burst.

Dick Draves tried right end for the extra point but failed to cross the double stripes.

The game was marked by errors on both clubs, as expected

in early season play.

LaPorte made the first threat in the game when Strieter surrounded the ball to the first quarter.

to the Wildcat 19 and foul by Hammond took four.

Havens lost a half-yard run try, but Strieter fumbled the next play and Hammond fullback Ted Kaseberger scored the bouncing ball five.

Hammond moved then had to kick.

LaPorte took over on 36 and it looked like a touchdown march was in the way. The Slicers had a first down and were

on the Hammond 10 when a person brought the ball all the way to the LaPorte 34. A

penalty on the next play sent it to the Slicer 8. Strieter ground to the 4 and LaPorte was in a spot.

Draves punted and a holding penalty on Hammond saved the Slicers as the back on their own 40.

Slicers Take 13-Point Lead At Start But Eagles Rally To Romp To Victory

BY KARL A. CHRIST
(H-A Sports Editor)

LaPorte's rampaging Slicers shot into an early 13-point lead in the game but lost their scoring punch thereafter as speedy South Bend Adams' bumped the locals into the loss column for the first time this season, 35-12.

The battle was an eastern division Northern Indiana High School Conference tilt played at Kiwanis field in top-flight football weather before an estimated crowd of 5,000 spectators.

Dick Draves and Bob Strieter registered the LaPorte touchdowns. The Adams scoring was scattered, with only huge fullback Gene Phillips crossing the double stripes twice for Coach Johnny Murphy's Eagles.

Too Much Speed

The game was a case of too much speed and deception in the Adams backfield, intact from last year's campaign in which the Eagles won the NIHSO crown.

LaPorte's inexperienced line was unable to cope with the shifty backs whose favorite gaining punch was an option play off the left side of the line, tackle and end being the option.

The Slicers were able to move on the ground, but had good drives halted by penalties, fumbles or intercepted passes. Quarterback Steve Kuk tossed 11 aerials as LaPorte tried the aerial waves against the visitors, completing six of them for sizable yardage as the locals improved 100 per cent in that department.

Recovers Fumble

LaPorte kicked off to open contest and after an exchange the ball, linebacker Dave Seidler recovered a fumble in a mix-up on a handoff and LaPorte was on the Eagles' 27.

Five plays later, the Slicers were on the Adams' 8-yard line. Kuk leaped up and tossed a jump pass to Jim Bailey that connected to the 1, and halfback Dick Draves drove over for the first score of the game on the next play.

Only 5:29 remained in the quarter as fullback Bob Strieter rammed over for the point.

The South Bend eleven then started a march that carried the ball to the LaPorte 29 before tackle Al Ott recovered a fumble

bled and Adams guided Jim Mesick surrounded the pigskin on the Slicer 26. An offside penalty put the ball on the 40, when Phillips broke through the line and was on his way with only half-back Draves between him and pay dirt.

Steals Pigskin

But Draves proved a formidable foe as he stole the ball from Phillips' arms and rambled way to the Adams' 15 before the first quarter ended.

On the 15, Adams' fullback Gene Phillips crossed the double stripes twice for Coach Johnny Murphy's Eagles.

That was it for the Slicers as the Adams' power came into gear.

The Slicers kicked Harry Grady getting his own 15 and returned 35 before he fumbled the misc-

LaPorte got the ball on the own 40-yard line when a Hammond player touched it there. The Slicers drove to the 31 as the quarter ended and had a first down made.

Keep Drive Going

Three plays later, Havens was off tackle for the final tally with only a minute and 11 seconds gone in the final quarter. Drave Havens and Burkhardt did the yegman share of work in the drive.

Coach Klimczak said after the game that none of the LaPorte injuries was believed to be serious.

Two Touchdowns I Knock Off Upset-Mind

In the tilt, moving to the Fort Wayne 19-yard line before the march was halted by recovery lateral by the Redskins.

North was kept deep in the own territory and punted out their own 48.

Bob Strieter plunged to the 4 Dick Draves failed to gain, the quarterback Steve Kuk grabbed the ball on a fake pass attempt and went around left end for yards down the sideline and touchdowns. Kuk's run was the second play of the second quarter. Strieter plunged over right tackle for the point and LaPorte was in front, 7-0.

Neither team could threaten thereafter for some time, though one pass from Kuk Terry Havens just missed connecting as Havens was in the open and in a sure spot to score.

March 31 Yards

Late in the period, Fort Wayne took over on their own 39 and put on a sustained 61-yard drive for their first TD. Two plays moved the ball to the LaPorte for a first down and the first time the Redskins were in Slicer territory.

Five plays later, halfback Harold Dimke took the pigskin on a double reverse and went yards for the TD. Only 1:24 remained in the game as tack Jim Richendollar's kick for point failed.

That was the end of the evening for the half with the Slicer in front, 7-6.

Fort Wayne got their bre on the kick-off opening the second half.

Strieter took the ball on the Slicer 8 and returned it to the when he fumbled on a double tackle and Dimke recovered.

Fort Wayne fullback Bob Pr took over and rammed the ball over from the 1-yard line as carried for six successive times Tackle John Compton blocked Richendollar's kick attempt as the Redskins were in front, 12 with 9:15 left to go.

Opening the season on the right foot, the Slicers defeated Hammond, the defending western division champions, 12 to 6. The game was

highlighted by a 52 yard TD romp by Bob Streiter. Terry Havens tallied the other TD for LaPorte. The Orange and Black were fired up defensively as they stopped the Wildcats short of the goal all but once.

Football managers were Rod Scott, and Jim Palmer.

La Porte dropped the first home game of the season to South Bend John Adams, 35 to 13. Gene Phillips was the big thorn in the Slicers' side as the big fullback crossed the double stripes twice. Draves and Streiter both scored to give the local squad a big 13 to 0 lead in the first quarter; however, the lead was short-lived as Adams came roaring back in the second period.

After getting back on the winning trail, the Slicers humbled Fort Wayne North Side 20 to 12. Kuk, Draves, and Streiter scored for La Porte as the Slicers rallied for two TDs in the final quarter to snatch a victory away from the Redskins.

Next the Slicers journeyed to Toledo, Ohio, to meet the highly rated DeVilbiss squad. The outmanned Slicer team was outscored every quarter as they were subdued 57 to 6. The Slicers only TD came on a 12 yard burst up the middle by Terry Havens.

La Porte next downed Riley 19 to 6. Terry Havens, Dick Draves, and Jim Bailey scored for the Slicers and three other TDs were called back because of penalties.

Despite snow and other inclement weather conditions, the final game of the Slicer season ended on a winning note. The locals defeated arch-rivals Michigan City 13 to 6 as a tough defense plus touchdowns by Kuk and Havens paved the way for the upset.

The LaPorte Riders, a budding, fast-breaking, hard-driving team, overcame a huge height advantage and took a victory over the Chicago Slicers in the 1957-58 season for the title of the day tournament last night, 64-41.

The game was a tip-and-toss affair all the way and wasn't really exciting until only 1:02 remained in the fourth quarter. The Riders, coached by Coach John Hilgendorf, led 55-35 at the time.

At that point, with LaPorte leading by one point at 55-54 on a shot by Jim Hilgendorf, center Jim Hilgendorf calmly took the ball and pumped the ball through the hoop to give the Riders a two-point edge.

LaPorte put on a mighty struggle to take its third holiday tournament crown in five years last night but fell off the red-hot pace in the third period as pointed East Chicago Slicers broke through the barrier to take the crown in the championship game of the holiday tournament last night at the Michigan City high school gym, 64-41.

The game was a close contest all the way in the first half, but the under-manned Slicers couldn't keep up the battle pace and the Riders pulled away in the third period.

The Riders, coached by Coach Hilgendorf, led 55-35 at the time.

LaPorte's Riders came back to life in the final period of the game, as Al Ott hit three-pointers to provide the impetus to victory.

The Riders, coached by Coach Hilgendorf, led 55-35 at the time.

At that point, with LaPorte leading by one point at 55-54 on a shot by Jim Hilgendorf, center Jim Hilgendorf calmly took the ball and pumped the ball through the hoop to give the Riders a two-point edge.

Our hardwood court magicians fought valiantly

The LaPorte Slicers, under the new coach, John Bastin, opened the 1957-1958 season with a 49-40 triumph over Gary Horace Mann. Jim Hilgendorf and Tom Blackburn controlled the backboards continually for LaPorte.

Using a tough zone defense, the Elkhart Blue-Blazers stopped LaPorte 56 to 42. Unable to get started in the first half, the Slicers played even with Elkhart in the second half. Guard Jim Swathwood exhibited some fine ball-handling and shooting.

In one of the best games of the year, the orange and black lost out to the highly-touted Black Cats of Gerstmeyer 48 to 46. Charlie Hall led the Cats with his sweeping hooks from 15 feet. Bill Lewis kept the Slicers in contention with some fine jump-shooting.

LaPorte played its best game of the season only to bow to a fast-breaking squad from East Chicago, 60-56. Bill Lewis and Jim Hilgendorf spearheaded the Slicer attack with 18 points apiece.

The Slicers led by a point at the end of the first period against Fort Wayne North only to see the margin disappear as the Redskins began

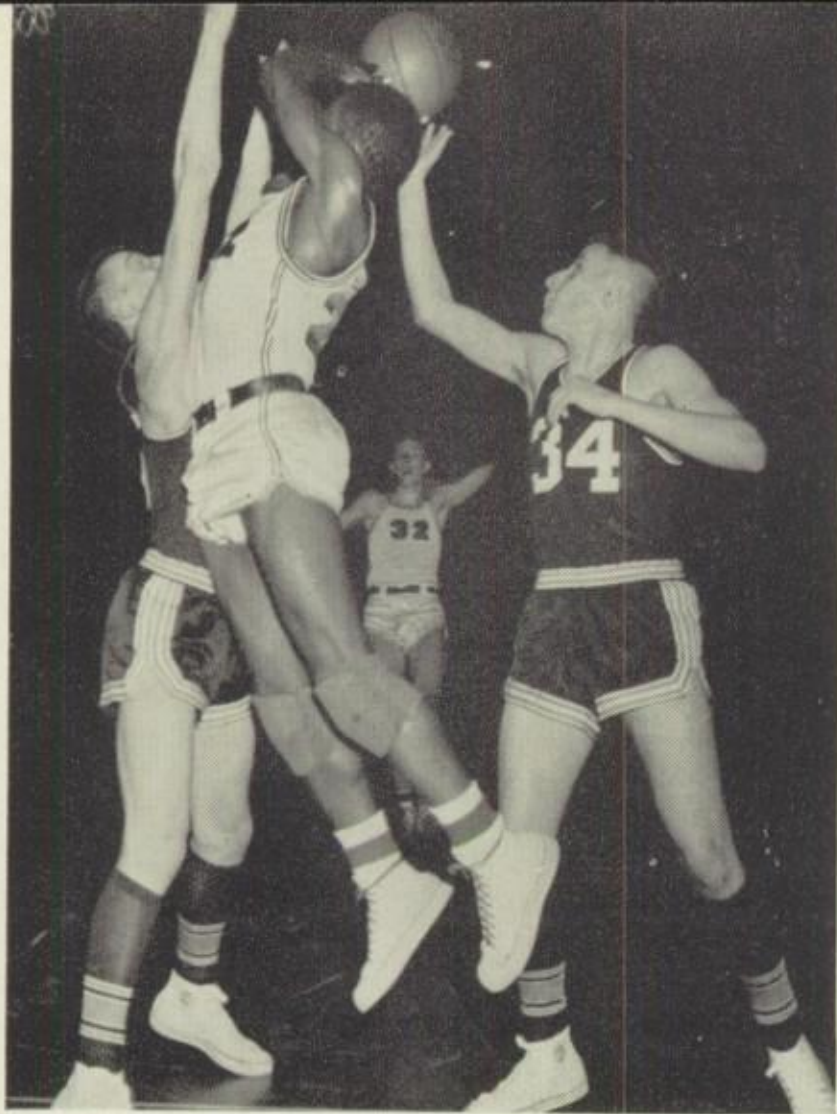

to hit well. LaPorte could never make up the 12 point half-time deficit as the final score was 67 to 54. Lewis had 19; and Ott and Hilgendorf, ten each for the Orange and Black.

In the first round of play in the holiday tourney, the Slicers won a thriller in the final seconds over Hammond 57-51. Al Ott hit a basket with a minute left to play to put LaPorte out in front to stay. Tom Blackburn had 18 and Ott 15 to lead LaPorte.

LaPorte put up a mighty struggle to win the Holiday Tourney crown but fell off in the third period to lose 64 to 49 to red-hot East Chicago. Tom Blackburn continued his fine tournament showing, serving 18 points.

Led by their great guards, Larry Shook and Marshall Moore, the Richmond Red-Devils stopped the Slicers 67-50. LaPorte was tied for the lead at half-time but, some bad passing led to the second half downfall. Ott and Blackburn each scored nine.

Bill Fleming, Joe Winston, and Rudy Anderson of the State-champion Central Bears proved to be a little too much for the Slicers to handle. Although LaPorte was in contention most of the way, tip-ins by Fleming began to tell the

tale. Again Ott and Hilgendorf did some fine rebounding while Blackburn hit for 15 points.

The Vikings of Valparaiso, led by Scotty Ward and Dale Gott, beat back the Slicers 67 to 53. The Vikings hit 45% of their shots to LaPorte's 32%. Bill Lewis and Tom Blackburn led LaPorte with 19 and 13 points respectively.

plete control game to baffle the Slicers 40 to 36. Riley hit a sparkling 57% of their shots from the field. Guard Bill Lewis led the Slicers attack with 16 points.

The classy squad from Gary simply proved too much for LaPorte as the local lads were downed 86-64. Heffin was practically unstoppable for Gary, and Bill Lewis kept the Slicers in contention with 24 points. John Kunze had 13.

A determined Slicer team stopped John Adams in their tracks (56 to 46). Good passing and fine rebounding aided the Slicer cause. Blackburn hit for 15 with Ott scoring 14.

LaPorte traveled south to meet a small but great Crawfordsville team. The Atheman beat LaPorte 70-45 with the aid of a tight zone defense which kept LaPorte shooting from outside. Ott led the team with 18 points.

Jim Bailey battles for a rebound against two Gary Roosevelt cagers.

In one of their worst showings of the season, LaPorte was beaten early by a fast breaking Michigan City team. It was evident that City was "up" for the game and the Slicers were shellacked 75-51.

The Slicers played one of their best games of the season only to lose on the last minute of play 62-59. Six-foot, four-inch Ron Bonham was the big problem for LaPorte as he poured in 23 points. Ott, Kunze, and Jensen led the LaPorte offensive attack.

Slicer guard Bill Lewis drives past five Valpo defenders and lays the ball up as Al Ott moves in for a possible rebound.

Al Ott has perfect rebound position against John Adams as guard Bill Lewis guns up a short jump shot.

The action was fast and furious as the

LaPorte next journeyed to Goshen and took a win 54-43. Three point plays by Jensen and Ott and some fine work by Ott and Hilgendorf helped the LaPorte cause considerably.

During one of the roughest games of the season, 42 fouls were called as La Porte dropped a decision to the Cavemen of Mishawaka. La

Jim Hilgendorf gets off a jump shot from the corner against Elkhart as Blackburn and Bailey stand by.

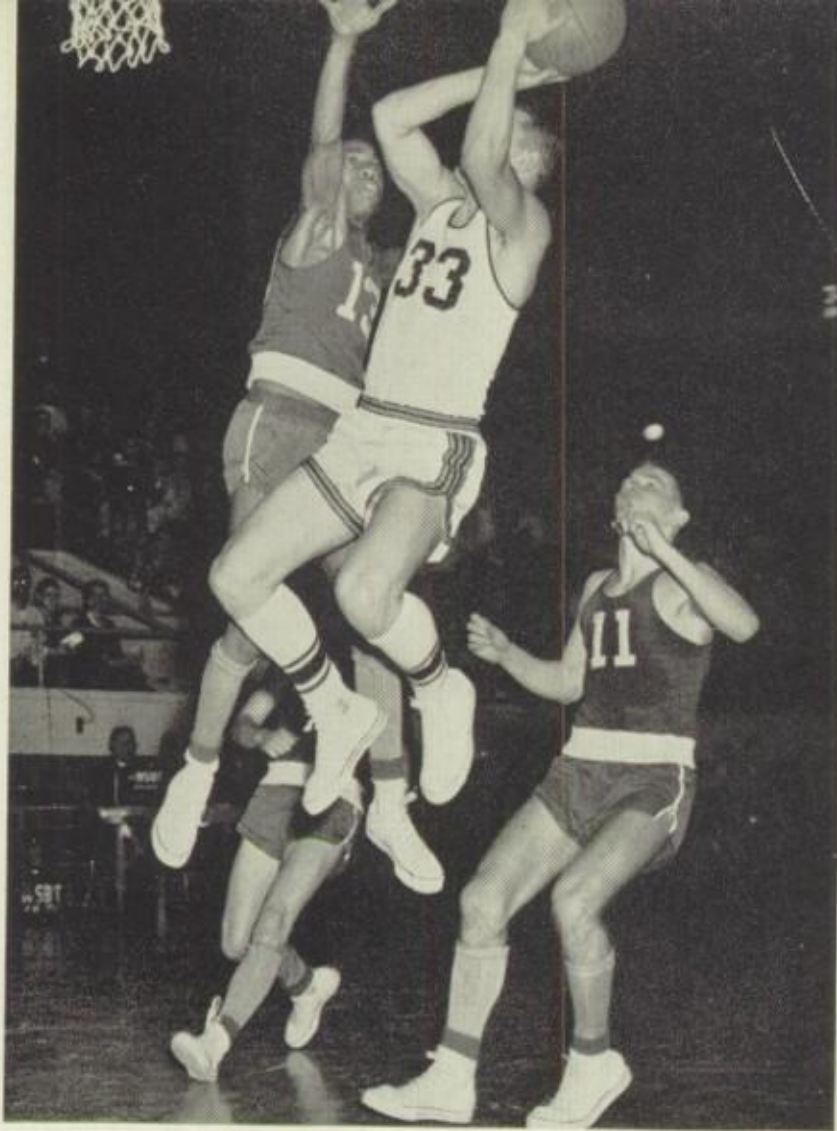

Porte started the game with a zone but had to give this up when the Cavemen started hitting from out.

La Porte trailed most of the game in their effort to beat Hammond for the second time this season. La Porte was only one point behind with 15 seconds to go as Bruce Stringer hit for the Wildcats at the buzzer to give them a 56-53 acting.

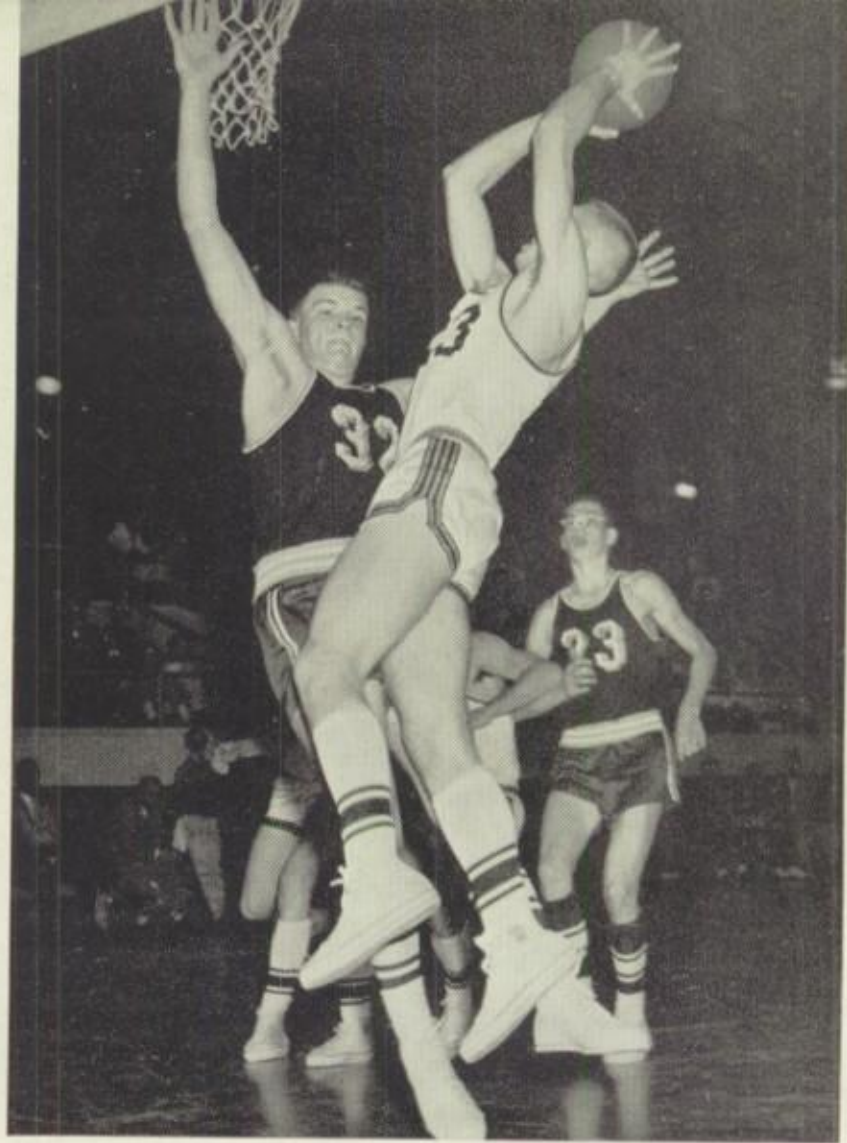

The Slicers played their finest game of the season in the second half against S. B. Washington. Trailing by over 20 points at half, the Slicers put up a determined bid for victory, but time ran out on them and they lost 64 to 58.

In their first game of the 1958 sectionals, La Porte met La Crosse. Although Bob Schoon tallied 30 points for the Tigers, the Slicers breezed to an 81-50 win. Great outside shooting by Kunze, Lewis, and Blackburn plus fine rebounding by Ott and Hilgendorf paved the way for the victory.

At one of the best games of the season, La Porte ran into a fired-up Rolling Prairie team. La Porte started out with a slight lead but as the game progressed, the Bulldogs matched La Porte point for point. However, some costly miscues plus the red-hot shooting of Kunze and Lewis gave the Slicers 66-62 win.

Bill Lewis attempts a jump shot as three Riley players move in.

The going gets rough as Slicer center Jim Hilgendorf drives in for two points against Mishawaka.

Slicers were engaged in top-flite competition

La Porte started slowly in this afternoon sectional game, but once started were unbeatable as they smashed the Blazers of St. Marys 69-36. Blackburn, Kunze, and Lewis hit in the double figures to help make the game a runaway.

In the Championship game of the Sectionals,

the Slicers battled the heavily favored Red Devils of City to a stand still in the first half, but couldn't keep the pace and lost 63-46. The Slicer squad showed balanced scoring between Ott, Hilgendorf, Kunze, Blackburn, and Lewis in their fine effort.

Tom Blackburn closes in on Don Bonham as the Richmond center searches for a teammate to pass to.

great effort to overcome their foes

Since many of last year's track team have graduated, the outlook for this year's squad appears doubtful. However, with approximately twelve lettermen returning and some valuable underclassmen coming up, the season could turn into a pleasant surprise. Jerry Bailey and John Deuschle are expected to be the top distance men while Bob Purkal and Jerry Burkhardt should keep the balance in running the dashes. Coach Van Wagner hopes to have some new boys try out for the other spots.

Dennis Barden fails to close the gap as he finishes second to John Mack of Froebel in the 440.

With only three lettermen returning from last year's top-notch squad, the Slicers might have a little trouble during the early part of the season finding the winning combination.

The returning lettermen will be Jim McCoy,

Steve Kuk, and Tom Nelson. If Coach Harold Reed can come up with another pitcher in addition to Jim McCoy and some help from last year's reserve team, the Slicers could be pretty strong by the end of the season.

The outlook for this year's golf team is good, since, with the exception of Neale Moosey, last year's squad returns intact.

With one year's varsity experience under their belts, Kenny Bender, Mike Garton, Bob Bortz, Frank Harrell, and Fred Henoch should be outstanding for the Slicer squad.

Mike Garton was third in the championship flight of the City Tournament and Fred Henoch won the local J. C. tournament and traveled to the state to compete. With this type of experience, the Slicers could really be tough on their opponents this year.

Bowling at Thunderbird Lanes was a new experience for members of the Bowling Club this year. The keglers, who were headed by president Bill Sass and advised by Mr. Decker and Miss Cosand, had league bowling on Monday and Tuesday afternoons.

The bowlers enjoyed the modern conveni-

The purpose of Girls' Athletic Association is to provide a wide variety of sports activities for the girls of La Porte High School.

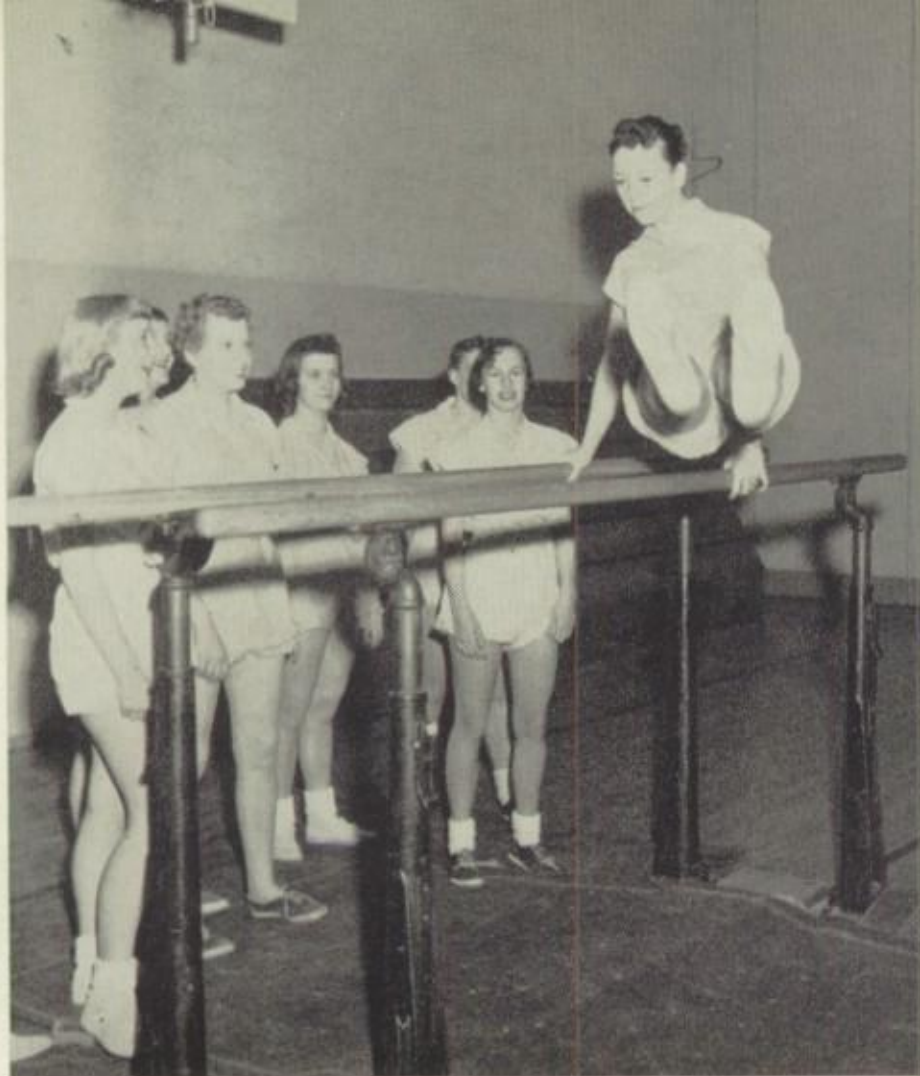

Among the activities featured by the club are archery, badminton, basketball, dancing, hockey, softball, tumbling, and volleyball. Fifty points are necessary for a G.A.A. pin, 100 points for numerals, 200 points for a maple

leaf, 250 for a chevron, and 350 for a plaque which is a state G.A.A. award.

At the end of the year awards are presented to the girls who have earned the required number of points. The girl selected as the most outstanding member of G.A.A. is presented with a special award. The award is usually presented at the achievement assembly.

Our intramurals gave us all a chance;

Roger Rahfeldt, center of the "Hollywood Flames", tries a jump-shot as several "Maverick" players close in.

Each year under the guidance of Mr. Hubner, intramural teams are organized and a league schedule and tourney are held. The league games are played between the teams that were organized at the beginning of the first semester. At the beginning of the second semester of school, new teams are organized to compete in a tourney.

The intramural league's main purpose is to allow boys who like to play competitive basketball, but don't have the ability or time to be on the high school varsity, to play against boys of their own age.

This year the "Hotdogs" and the "Hollywood Flames" were co-champions in league play while the "Black Knights" captured the tourney title.

Members of the "Hotdogs" were Steve Kuk, Larry Ray, George Carey, Craig Schultz, George Bunce, Les Hutton and Jim Palmer.

The "Hollywood Flames" were composed of Dave Luther, Burt Babcock, Roger Rahfeldt, Ron Ebert, Tom Krause and Pete Petros.

Bill Lewis, Tom Blackburn, Dan Jensen, Tom Hubner, Terry Havens, and Jim Bailey were on the tourney-champion "Black Knight" team.

Football

Al Ott, most valuable player, and Steve Kuk, captain, led the Slicers to a fine season's record in football.

Swimming

Although the Tankers didn't have a winning record this season, Jack Jonas and Dave Seidler helped to make it a little brighter.

Basketball

Dan Jensen received the Kaminski free throw award for the best percentage of free throws made during the basketball season.

At the Women's Literary Society meeting which Marcia Garrison attended, the well-known author, Maggie Daly, gave a talk on fashion. "Education for Utopia" was the talk given by Dr. Eric Clitheroe from Purdue at the A.A.U.W. meeting which Peg Samys attended. Marcia Miller heard Miss Irene Meyers, from Fort Wayne, speak on "Life Is a Dutch Treat" at the Business Girls meeting she attended.

The senior class elected thirty-four senior girls to represent them at three of the local women's clubs—A.A.U.W., Business Girls, and Women's Literary Society.

The senior class elected thirty-five senior boys to attend the weekly meetings of Lions, Rotary, and Kiwanis clubs. This project helps to acquaint the students with the functioning and purpose of these clubs.

During the year the boys took turns attending the meetings and they heard many interesting programs. Each boy attended meetings for one month, usually four meetings.

The idea of students mingling with La Porte's businessmen seems to work very well, and the boys enjoy attending these meetings.

in the fall to represent us

The purpose of Boys and Girls State is to give practical training and experience in government and citizenship to outstanding students. These students are chosen from the junior class by the American Legion and the American Legion Auxiliary.

In June they spent five days at Indiana University attending classes. Mock elections were held for offices in state, city, and county government.

Perhaps the most important organization in regulating the functioning of the school is the student government. Last year the student body elected Jay B. Hunt as president, and Mr. Miller was their advisor. Not only did the student government provide services to L.P.H.S. but also to outside organizations. It was in charge of the T.B. fund drive and the March of Dimes drive in L.P.H.S. They also regulate the monitor system.

Boys' Service Club, under the sponsorship of Mr. Westphal, is composed of boys who must be in the upper third of their class.

In October B.S.C. sponsored a leadership training banquet for the officers of the clubs in school. The members ushered at the organ dedication concert in February and in the same month sponsored their annual dance.

Lights and Music Vol. III was presented in April. A tour of La Porte and surrounding areas will be sponsored by B. S. C. members during the summer for American Field Service Students enroute to their home countries.

Members of Honor Society, which is sponsored by Miss Beesley, were very busy this year raising money for three scholarships which they gave to three outstanding seniors. They sold football pins in the fall and handed out programs at the games.

La Porte Slicer tags for license plates were sold and a bake sale was held in March. A dance was also sponsored in April by members of Honor Society.

The very impressive initiation bringing new members into the organization was held at an assembly in May.

school through many of our organizations

A valuable service is rendered to L.P.H.S. by the Student Library Assistants. Besides their regular duties of checking books, keeping magazines in order, helping at the circulation desk, and writing overdue notices, these students had another job in September. After the remodeling of the library this summer, they had the tedious job of putting the library back in working order.

Several members attended the state meeting of student librarians at Indiana University.

This year's Pep Committee, under the co-chairmanship of Joe Davie and Nancy Nicklas, presented many pep sessions which helped create enthusiasm among the students towards L.P.H.S. sports. They prepared pep assemblies for most of the home football and basketball games.

Besides writing and presenting the pep sessions the members also sponsored a sock hop. The proceeds of this dance went toward the purchase of a megaphone and other supplies.

Our largest organization, Girl Reserves,

Many services were performed by the members of GR during the year. The girls addressed and stuffed envelopes for the annual Christmas Seal Drive, as well as typing the mailing lists. The girls also helped with the Easter Seal Drive. During the year they assisted teachers, and in basketball season the girls were in charge of the concession stands at the Civic. Many of the members contributed gifts for Beatty Hospital at Christmas.

By performing these services the girls earned service points which enabled them to be eligible to attend the two social events of the year—the Christmas formal, “Mystic Starlight”, and the Mother-Daughter Dessert in May.

The first social event for the members of Girl Reserves was “Mystic Starlight,” the annual

Christmas formal. In order to be eligible to attend, a girl must have earned a service point. The Armory was beautifully decorated in the Christmas spirit. Giant-size Christmas cards adorned the sidewalls and the ceiling was low with stars hanging from it. Many couples had their pictures taken beside a large, rotund "snow" man. The girls spent many weeks preparing for this big event.

On May 6 the annual Mother-Daughter dessert was held. This event is held to honor the members' mothers. It was held in Friendship Hall of the Methodist Church. The theme was "Garden of Roses", and it was carried out with side walls of straw baskets filled with artificial roses. The tables were decorated with small bouquets of pink roses. The pink and white color scheme was carried out in the dessert of ice cream and cake. Miss Irene Meyer spoke to the group about her journeys with the women in the G. E. plant at Fort Wayne.

A calypso atmosphere was created at the initiation for new members in September. The initiable bracelets, straw hats, and the gaudy cloth-table bracelets, straw hats, and gaudy clothing which is associated with true "Calypsoans."

and provided fun for all its members

The initiation was fun for the old members as well as the initiates. It brought back memories of the day they were initiated into Girl Reserves.

The following day the initiates came to school dressed in very striking attire—their clothing was worn inside out and backwards. Tennis

shoes with no socks and no makeup completed their ensemble.

Girl Reserves is the largest organization in school. It is composed of girls from the sophomore, junior, and senior classes who wish to be of service to the community.

The Calypso atmosphere of the G. R. initiation created fun for everyone.

Our scouting motto was "You can count on her"

In September a "Welcoming Tea" was held for freshman girls and their mothers who were interested in Girl Scouts. A panel discussion was presented entitled "What Is Girl Scouting?"

The girls were very busy during the year; their main program was giving service. They participated in the International Friendship Project of helping furnish "Our Cabana," the new Western Hemisphere Home of the Girl Scouts. Some of the girls helped as library aids at the Public Library, program aids, office aids, camp aids, and assistant troop leaders.

Our cultural backgrounds were developed

Tau Sigma Chi is an honorary organization for students who are active in debate, dramatics, radio work, and stage direction. It is sponsored by Miss Elkin, Miss Kellogg, Miss Brendel, and Mr. Munson. Initiations are held in the spring and fall after the plays are presented.

During the football season the members of Tau Sigma Chi are in charge of the concession stands at Kiwanis Field.

This is the second year of existence for the Bi-Phi-Chem club, which is composed of students who are interested in science. The club, under the sponsorship of Miss Gourley, Mr. Bernard, and Mr. Fisher, derived its name from biology, physics, and chemistry.

At the meetings of Bi-Phi-Chem the members work on their various science projects. Each member has his own project to work on.

by our belonging to these organizations

A busy and travelsome year was enjoyed by the debate team. They traveled all over Indiana to participate in many debate tournaments.

L.P.H.S. was honored when our debate team won the state championship.

Several members won individual honors. Mary Margaret Magnuson won the Voice of Democracy contest, Dave Oakes won the local and district American Legion oratorical contests, and Jay B. Hunt was elected to represent Indiana in the National Forensic League Congress in Sioux Falls, South Dakota, this summer.

In order to be eligible for membership in the National Forensic League, one must earn a required number of points. These points are earned by participating in speech contests.

The members of this organization also work for seals which they receive after earning a required number of points.

The highest award possible is a gold seal. Two of the members, Joe Ford and Mary Margaret Magnuson, received their gold seals this year.

Miss Brendel sponsors the National Forensic League and the debate team.

The Latin Club, sponsored by Mrs. Russell and Miss Horne, is one of the most active clubs in La Porte High School. Their first project of the year was a sock hop, "Anything Goes", which featured a unique shoe check. Prizes were awarded for the best decorated socks.

The initiation, held for the pledges in February, depicted a trip to Hades and the underworld and a slave sale with Tom Hilbish as auctioneer. The slaves were a main attraction at school the next day in their Roman tunics. They did such jobs as carrying books and running errands for their masters.

The second money-making project, a bake

sale, helped provide funds for a trip to the State Latin Club Convention at Butler University which several members attended. The president of the state Latin club for this school year was Todd Fay.

The highlight of the year, for old members and their slaves as well, was a Roman banquet. In full Roman costume, the old members, sitting on the floor, were served a typical Roman meal which they ate with their fingers. The slaves, who served the meal to their masters, also provided the entertainment, consisting of dancing girls, singing, and other appropriate entertainment.

Cercle Francais meets once a month at the home of one of the members where a completely social evening is spent. Because everyone speaks French at the meetings, membership is limited to students who have completed two years of French. Miss Dick sponsors the club.

The annual project of the club is the display case during the Christmas season. Comparing a French living-room with an American living-room as they would look on Christmas Eve was featured this year in the display case.

A beginning French Club composed of first year French students was organized in May.

"Estudiamos el espanol." Spanish Club, under the sponsorship of Miss Muntman, is open to students who are studying or who have studied Spanish.

The members were busy this year selling personalized stationery to raise money for the organ fund. In January the members held a bake sale as another money-making project.

During Pan American Week in April they featured an exhibit in the display case on the first floor. This showed the uniting of most of the countries of North and South America in the Pan American Union.

Being a member of F.T.A. is valuable to those students who plan to teach or who are interested in teaching.

Many of the programs consist of talks by teachers, student teachers, and cadet teachers telling of their experiences. The members ask questions, and information is gained which is important to them as future teachers.

Giving a party at the County Home was the major project of the year for F.N.A., which is sponsored by Mrs. Pressel. In the fall they held a bake sale to raise money for the organ fund.

The second semester they held a rummage sale and a bake sale to earn money for their scholarship which is given annually to a senior girl.

Working on their various homemaking projects kept the members of the Future Homemakers of America busy during the year. In the fall their money making project was a penny supper. The second semester they sponsored a Valentine Day candy sale. The club, which is sponsored by Mrs. Hotchkiss, has many social parties during the year.

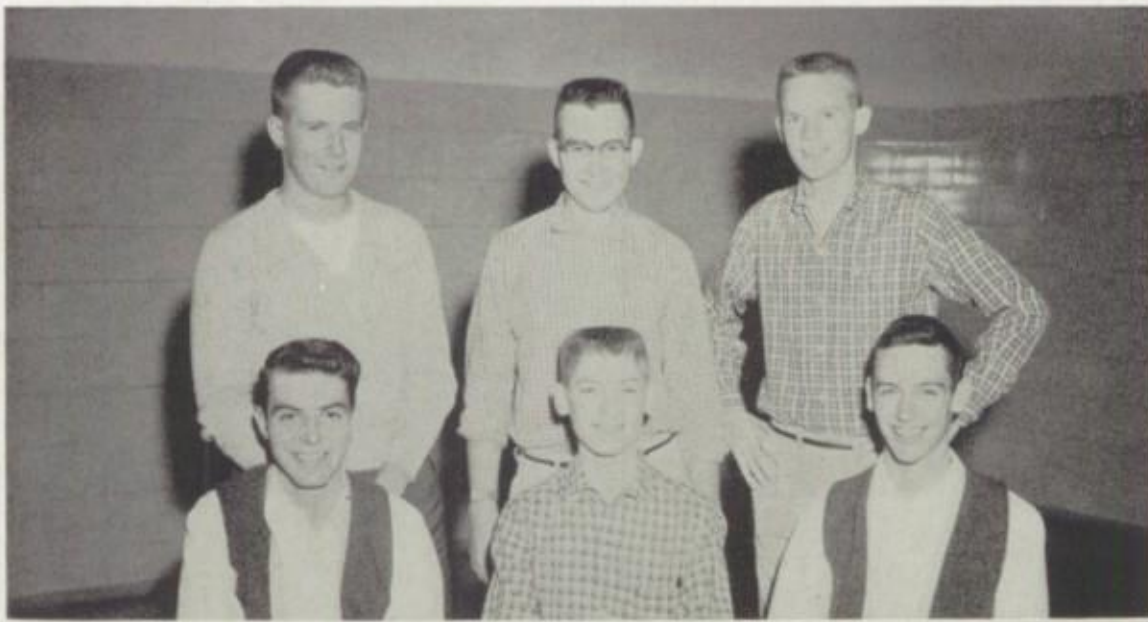

Any girl who is in any of the home economics classes is eligible to join.

The main project of the year for Junior Red Cross was collecting money from the students and teachers. Among the other annual projects of the Junior Red Cross in L.P.H.S. are preparing and sending Christmas boxes filled with many gifts for children overseas and delivering gifts to the La Porte County Home. Under the guidance of Mrs. Cameron, the club sponsor, the members work on many new ideas and worthwhile projects.

Our aim was to main

The aim of the Hi-Y clubs is to create, maintain, and extend throughout the school and community high standards of Christian character. Every meeting is ended with these words. Both the boys' and girls' clubs have various projects throughout the year.

At Christmas they promote the Christmas spirit by going as Santa Claus to the County Home. Sponsoring the dime line, which is used to help needy boys; selling cookies to help needy children; and collecting toys which the fireman repair; are also projects of the clubs. All of the groups give aid to World Service. To have brotherhood in the world is their principal aim.

Our activities as well as our singing

The Social Studies Club, sponsored by Miss Jones, head of the social studies department, began its many activities by taking charge of the United Nations display case. The display was executed by a large sun in the center carrying out the theme, the "Rising Sun in the Making of Peace."

The club sponsored a dance, "Final Fling," to end the first semester and a bake sale. The object of both was to finance the annual scholarship

given by the club.

The club met every two weeks with each meeting being highlighted by a program. At one program Criton Asastassopoulos, our foreign exchange student, gave a very interesting talk on life in Greece. Another meeting featured a demonstration debate by four members of the debate team. A panel discussion, talks by Gretel Braidwood and Bruce Cook, and other speakers were also featured throughout the year.

The Social Studies Club sponsored one of the many sock hops held during the year.

created a busy year for all

Performing is their business! The Swing Choir is one of the busy musical groups of L.P.H.S. They sang at many out-of-town conventions this year. They traveled to Indianapolis for the State Music Teachers' Convention and Scottish Rite Cathedral Program. They also presented a program for the State Secretarial Convention and for various company meetings in Benton Harbor, South Bend, Michigan City, and La Porte.

The choir did a program for the East Chicago Chamber of Commerce. On June 4 the Swing Choir presented its own program.

The Swing Choir is composed of the superior members of the A Cappella Choir. They practice three times a week, but receive no credit. The very colorful costumes which they wear in their performances are paid for by the proceeds from the many appearances which they make during the year.

The Swing Choir was one of the attractions at the Organ Fund assembly.

Our choirs worked hard to present

The A Cappella Choir, which is directed by Mr. Klinka, presented their annual choir program in May. They did an outstanding job with their presentation of Schubert's "Mass in G" and George Gershwin's well-known works.

The choir provided music for our Thanksgiving, Christmas, Veteran's Day, and Easter assemblies. They also performed for the South

Bend Teachers' Convention in the fall. They sang for Kiwanis meetings and attended the Four City Festival.

The A Cappella choir presented a very excellent program on December 3 as their part of the combined choral concert. The choir is one of the outstanding choirs in northern Indiana.

several programs this year

The freshman glee club is open to any freshman interested in singing. The group performs annually at the fall choral concert and also again in the spring. This chorus helps those without previous experience to learn more about music fundamentals. The eighty members sing songs which are used in plays and concerts throughout the school year.

The sophomore chorus also does a large share

of performing. This group, similar to the freshman group, is open to any sophomores, juniors, or seniors who are interested in singing. The chorus performs at the annual choral concert in the fall. They also traveled to the Four City Festival in the spring. The sophomore choir was newly organized as a mixed group. Both these choirs are training students for the A Capella Choir.

The L.P.H.S. orchestra is one of the finest orchestras in Indiana. They presented their annual concert on February 25. The concert consisted of a variety of numbers. They also performed at the Northern Central Student Orch-

estral Festival. The orchestra performs at assemblies and at the commencement program.

The members worked hard to obtain a first in the state orchestra contest at New Haven.

Every year the band boosts the high school team during the basketball season. They present half-time entertainment consisting of popular music.

On March 25 they did an exchange concert at Crown Point. The concert band obtained a first in the Northern Indiana School Band Concert at New Haven, Indiana, on April 19. The concert band is well-known for its reputation of obtaining the highest awards at contests.

Annually, they, along with the other musical groups, have a chocolate bar and tag day sale to help with the school year expenses. The band, conducted by Mr. Foreman, is one of the best concert bands in the state.

appearances each semester

Modern Music Masters each year gives a scholarship in honor of Gene Pennington to an outstanding musical student. Their money making projects were selling memorial canes at the district instruments contest, selling cokes at the

Community Concerts, and selling stationery personalized with L.P.H.S.

A semi-formal dance, "Caught In the Act", was also sponsored by the members of Tri-M, which is sponsored by Mr. Foreman and Mr. Klinka.

The highlight of the year for the dance band was the presentation of a program at the Hotel Sherman in Chicago for over 1000 band directors and members of well-known bands. The dance band was honored when they were directed by Ralph Flannigan, nationally known orchestra leader.

The L.P.H.S. dance band has obtained national recognition for the outstanding job they did in presenting this program.

Prior to the presentation Mr. Flannigan vis-

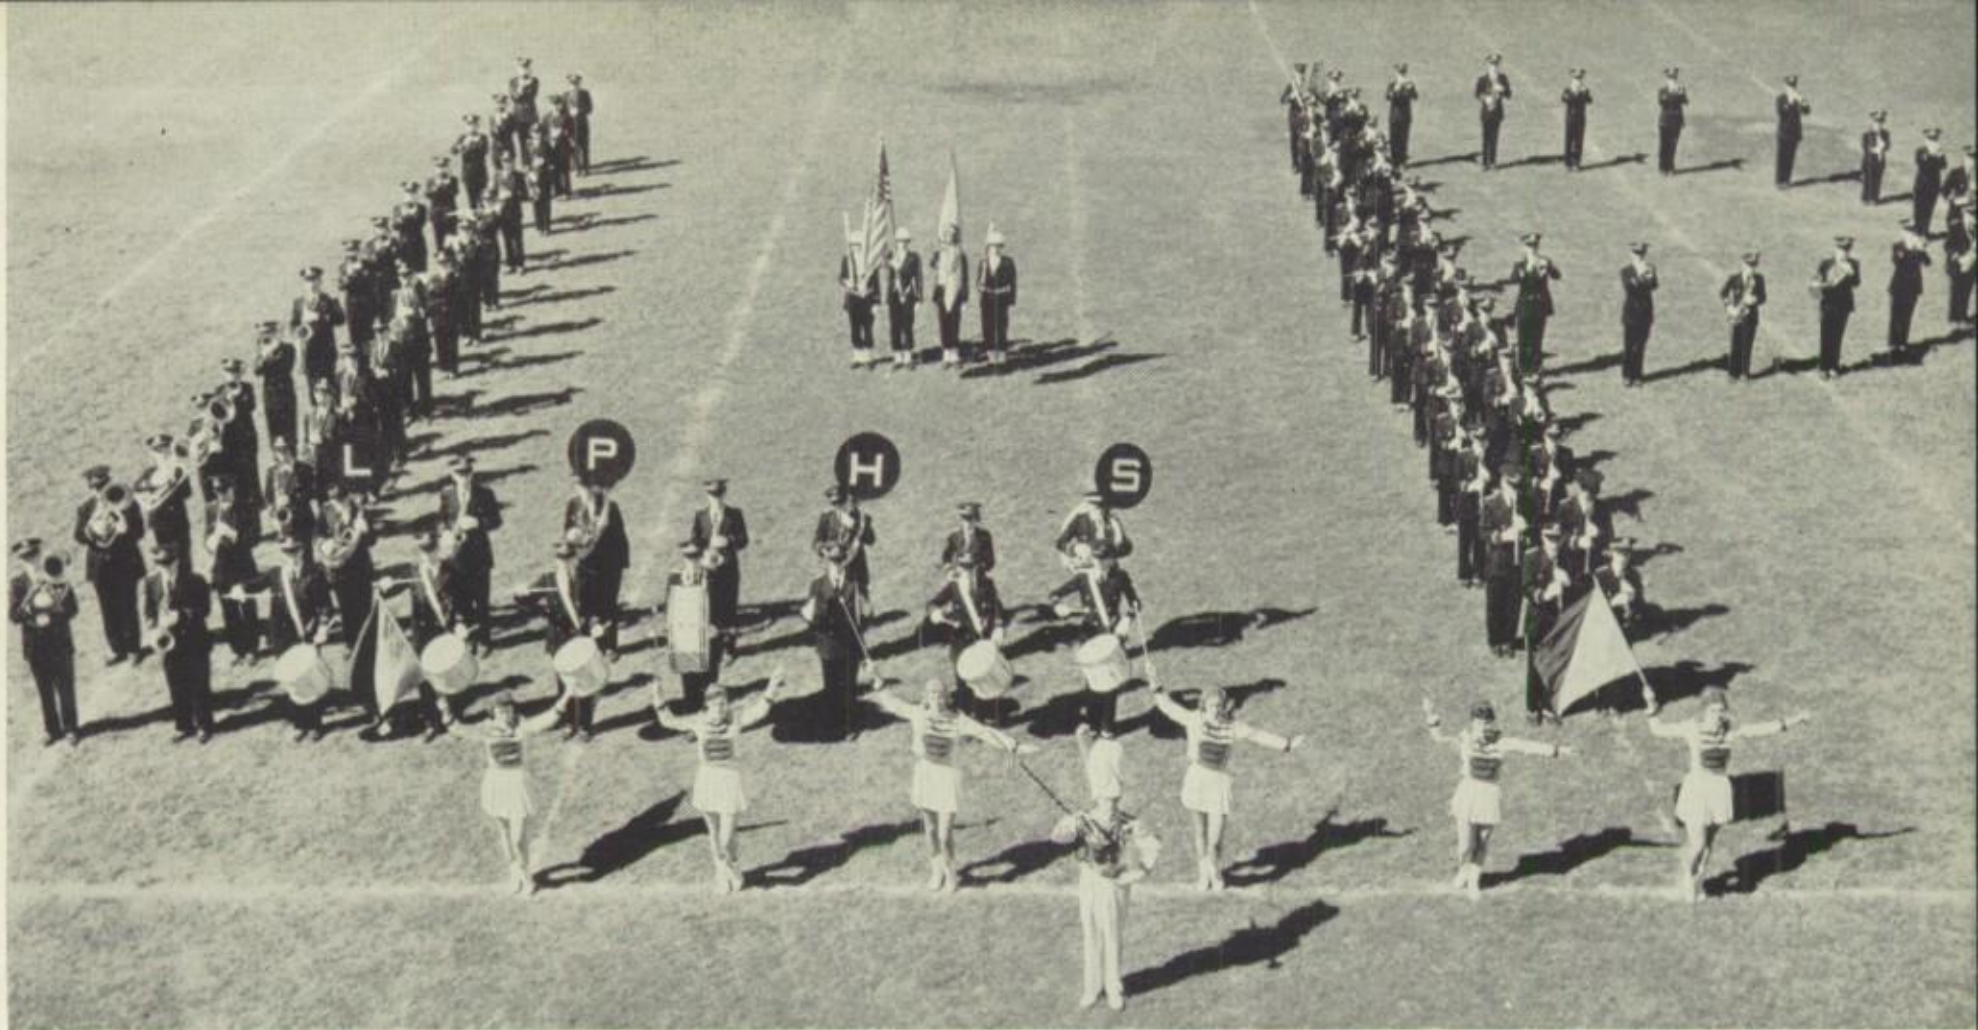

ited La Porte to rehearse for the program. His orchestra is in demand by night clubs and ballrooms throughout the United States.

Playing at the after game dances during the football season was another job of the dance band. At the Rotary Club's vaudeville show the dance band was the feature act. They also played for the organ fund assembly.

In May the members of the dance band went on a trip to Chicago to see "My Fair Lady" at the Shubert Theatre.

our marching band gave colorful performances

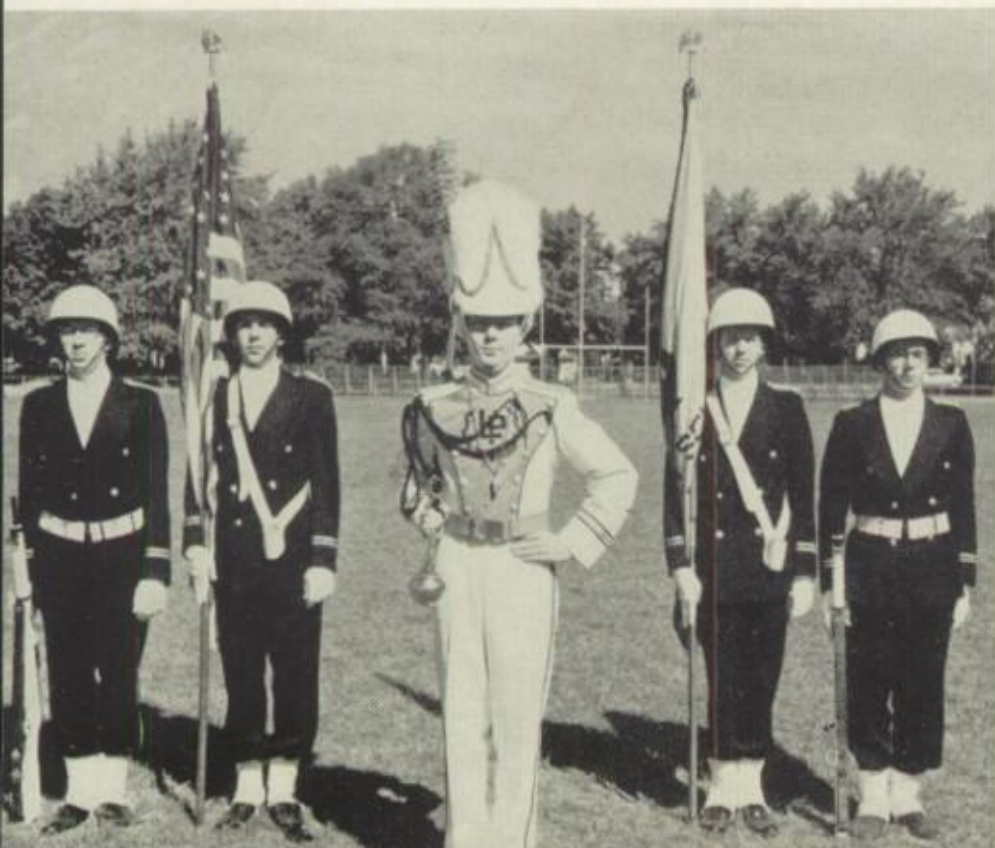

In the fall the marching band works an hour each day to present half-time performances at the football games. The marching band presented many original and humorous performances.

This year they exchanged half-time performances at the South Bend Riley game. They work hard to present unique programs.

Members of the color guard present the colors at football and basketball games. They also led the Homecoming parade and all other parades in which the band took part.

The majorettes practice with the band and individually to present good programs. Mary Jo Struss and Sandy Storey attended baton summer school where they learned many new tricks.

Judy Valentine works on the cover of the Christmas edition.

Our Hi-Times staff gained much

The main edition published by the first semester Hi-Times staff was the Christmas edition. This issue contained many special features as well as school news. Many of the students' humorous incidents were recorded in "Dig This", a regular feature of the paper. Through the "Inquiring Reporter" we learned students' opinions on such pertinent subjects as informal initiations, Central Standard Time, and student cheering.

The staff, under the sponsorship of Miss Dick, was composed of students who had taken Journalism I a previous semester. Many of the news stories were written by Mr. Linnemann's "cub reporters" in the beginning journalism class.

The staff initiated a "new look" in the paper by omitting the usual lines between the columns and using a wider variety of type for the headlines.

Kathi McCarty and Tom Nelson run a page.

valuable experience in journalism

Many new features were initiated in the Hi-Times during the second semester. The staff also had a new advisor, Mr. Linnemann.

"Days Gone By" recalled incidents that happened years ago in L.P.H.S. "Senior Shorts", another new feature, gave brief, biographical sketches of many of the seniors.

In addition to the weekly edition put out by the staff, they also published two special editions—the sectional edition and the senior edition,

which is the largest paper published by the staff.

The sectional edition was very different from those in previous years. Pictures of the players were printed on the first page. Inside the paper four pages of student autographs were featured to boost the team's morale.

A literary edition was also a new edition published for the first time this year. It featured sonnets, essays, and other writings of many L.P.H.S. students.

Our El-Pe staff worked hard

The junior editors, Phyllis Moosey and Diane Stoewer, check pictures for this year's annual.

Work on this year's El-Pe began before school was out last year. During the summer and at the beginning of the school year, the members worked on miniature layouts for the yearbook. The next step was to get pictures of the students and the activities. Pictures for the book were taken all during the year.

Early in the year it was the staff's job to choose a cover for the '58 El-Pe. There was much discussion and disagreement before they agreed. The cover was a well-kept secret during the year.

In November the staff took a trip to Chicago where they visited the engraving and the cover company. Here they saw how the pictures were prepared for the book and how the cover for the book is made.

All pictures used in the book are sent to Chicago to be engraved. After the pictures are returned they are put in the proper position in a "dummy" yearbook.

Another important job is writing the story of L.P.H.S., or the copy. This is usually done after most of the pictures have been taken.

Jim McDonald, sports editor and his assistant, Fred Singleton, are busy preparing their section.

Jim Rahfeldt, copy editor, reads some copy which Sharon Huffman is typing.

Discussing pictures are Dan Lovick, photographer, and Jim McDermott, assistant photographer.

to publish the 1958 El-Pe

The biggest job the staff has is the making of an index. Each student's name is registered and each page he appears on must be recorded. This is a long job which usually begins in the second semester.

The El-Pe staff, which is sponsored by Miss Muntman, works hard to put out a book which the students will always enjoy.

Last year's El-Pe won a bronze medal in the National Yearbook Judging and a first class honor rating in the National Scholastic Press Association. Neale Moosey, editor-in-chief of the 1957 El-Pe, was awarded an outstanding editor's award.

Miss Muntman, advisor, asissts Judy Battle, club editor, and Dave Parker, assistant club editor, with some pictures and copy.

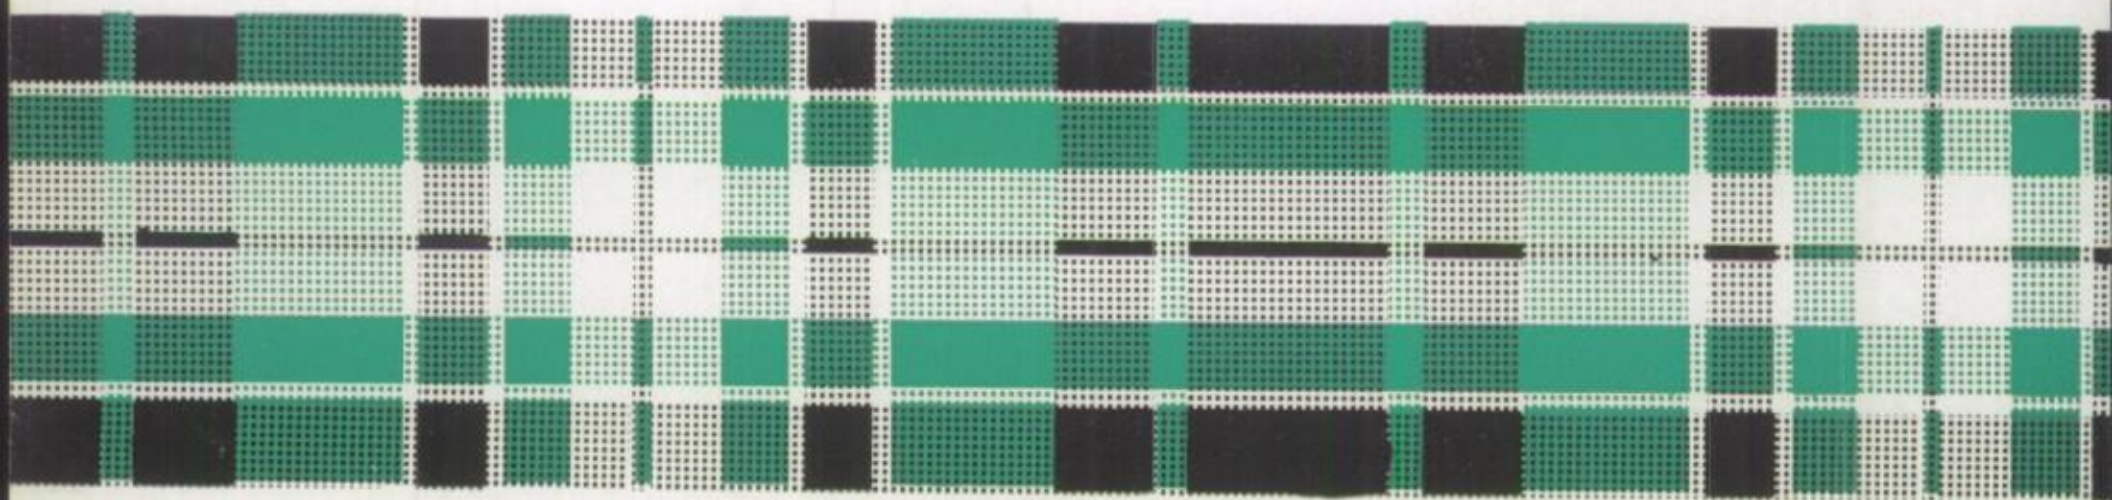

The El Pe staff works hard, but every group must play also.

In November the staff went to Chicago to visit Jahn & Ollier Engraving Company and the S. K. Smith Cover Company. Pictured are Jim Rahfeldt, Dave Ebert, Dave Parker, Diane Stoewer, and Sharon Huffman.

Bill Aikman, Vicki Garrison, Mike Purvis

Class of 1961

After President Bill Aikman called the meeting to order, the minutes of the last meeting were read. Then plans for the forthcoming Frosh-Soph Dance were discussed; and Mr. Skiles, our sponsor, consulted the school calendar to establish a tentative date for the dance.

Before we adjourned, Mike Purvis mentioned that the mid-year freshmen should be given a hearty welcome to the halls of ivy.

FRESHMAN CHEERLEADERS — Susan Hoehne, Jeanne Foster, Leona Wolfe, and Karen Johnson.

The first after game dance sponsored by the juniors was enjoyed by students from all classes.

The first customers at the junior class dance had a chance to try out the new invisible dance stamp.

Marlene Martucci, Tom Holm, Darrall Dablow

Class of 1960

The sophomore class president, Tom Holm, called the meeting to order. Darrall Dablow, our vice-president, led the discussion concerning the dance with the freshman class. Mr. Bernard, the class sponsor, reported that he had consulted with the freshman sponsor and a tentative date for the dance had been set. Committees were appointed and the meeting was adjourned.

Standing: Charles Doane, Senior, Jay Newell, Rick Lucas, and Larry Geren.

Seated: Marlana Johnson, Senior, Loraina Taylor, Lois Onstatt, and Judy Day.

Connie Ewart proves to Bob Whorwell that around L.P.H.S. the guys are the weaker sex.

Ron Gardner and Pat Mlynski display the latest fads in fashion seen in the halls of L.P.H.S.

Joan Sawyer and Jackie Cloutier are registering students for voting in the class elections, which were highlighted this year by many close races.

Dave Ratajik's band, a group which played for the after game dances sponsored by the Junior Class and also for several other groups, is getting ready to have one of its jam sessions.

Working on the Prom was a big job for the Juniors this year. General chairman Joe Ford is giving instructions to the other chairmen . . . Jerry Mayes, ceiling; Willie Scott, backwall; Phyllis Moosey, throne; Ruth Hacker, side walls; and Diane Stoewer, stage.

Left to right: Todd Fay, Dave Ebert, Judy Barden, and Connie Roule.

Class of 1958

To launch our high school careers we, as freshmen, chose Todd Fay as president, Judy McCorkel as vice-president, and Joan Lange as secretary-treasurer. "Cherry-Pink and Apple-Blossom White" was selected as the theme for our dance, the main social event of the year which we co-sponsored with the sophomores.

Our sophomore year was a busy one; not only was our new gym being constructed, but it was also the centennial year of La Porte High School. Leading us through the year were Dave Ebert, president; Connie Roule, vice-president; and Kay Bryant, secretary-treasurer. Mr. Bernard, our class sponsor, helped us co-sponsor the annual Freshman-Sophomore Dance, which was entitled "Snowflake Swirl."

As "upperclassmen" we chose Jack Showley as president, Joe Davie as vice-president, Judy McCorkel as secretary, and Janet Whorwell as treasurer. Miss Boal and Mr. Westphal ably assisted us in our biggest project, the Jr.-Sr. prom. We chose as our prom theme, "Opening Night," which was carried out by two replica marquees of "My Fair Lady" and "Most Happy Fella." We juniors attended the Jr.-Sr. Banquet which was sponsored by the Seniors. Its theme was the "Gay Nineties."

To aid us in ending our high school days successfully, we chose Dave Ebert as president, Todd Fay as vice-president, Judy Barden as treasurer, and Connie Roule as secretary.

During this, our final year, we seniors made more definite plans for our immediate futures. We took tests for college entrance and completed numerous college entrance forms.

Dave Ebert led the project of accumulating enough money for the Tom Curtis Memorial Organ. Tom's parents started this organ fund by giving the money which Tom had saved for his college education to the high school. The organ was dedicated February 9, 1958.

We seniors attended the prom and invited the juniors to attend the Jr.-Sr. banquet which we sponsored. We also planned and presented Class Day, a playback of our four years in L.P.H.S. for the enjoyment of the student body. We enjoyed a class picnic at the end of the school year. Baccalaureate services were held June 1, and Commencement exercises took place June 5.

IN MEMORIAM

JUNE DAY

June was well-liked by students because of her personality and her ability to make those around her forget their problems through her wonderful sense of humor. June was active in Girl Reserves and Spanish Club. During this, her senior year, she was voted "most humorous" by her senior classmates.

June was born June 7, 1940, and died February 12, 1958, from complications of influenza.

EDITH PIERCE

Edith, a member of the senior class also, was a good student and an active member of Future Teachers, the state and high school library clubs and Rainbow Girls. Edith will be remembered as a lively girl with a warm personality.

She was born March 12, 1940, and died March 1, 1958 from injuries suffered in a train-automobile accident.

CRITON ANASTASSOPOULOS

Criton was brought to LaPorte by the American Field Service International Scholarship Program after being carefully screened by personality and scholastic aptitude examinations.

Criton lives in Volos, Greece, where he attends a boys' public high school. While in LaPorte, he lived with the Leon J. Philon family at 106 Franklin Court.

As a senior in L.P.H.S. he studied trigonometry, solid geometry, chemistry, physics, economics, civics, English, and U. S. History. Criton has amazed L.P.H.S. students with his fluency in English and has interested us in his homeland by describing its customs, educational system, history, and government.

For about three years, L.P.H.S. students have enjoyed dancing to the sharp music of Jack Ellis' dance band. Jack Showly, a senior, is the organizer of this popular and successful band. Members are: Jon Bolen, Joe Davie, Jed Curtis, Larry Ray, Dale Burden, Dave Oakes, and Jack Showley.

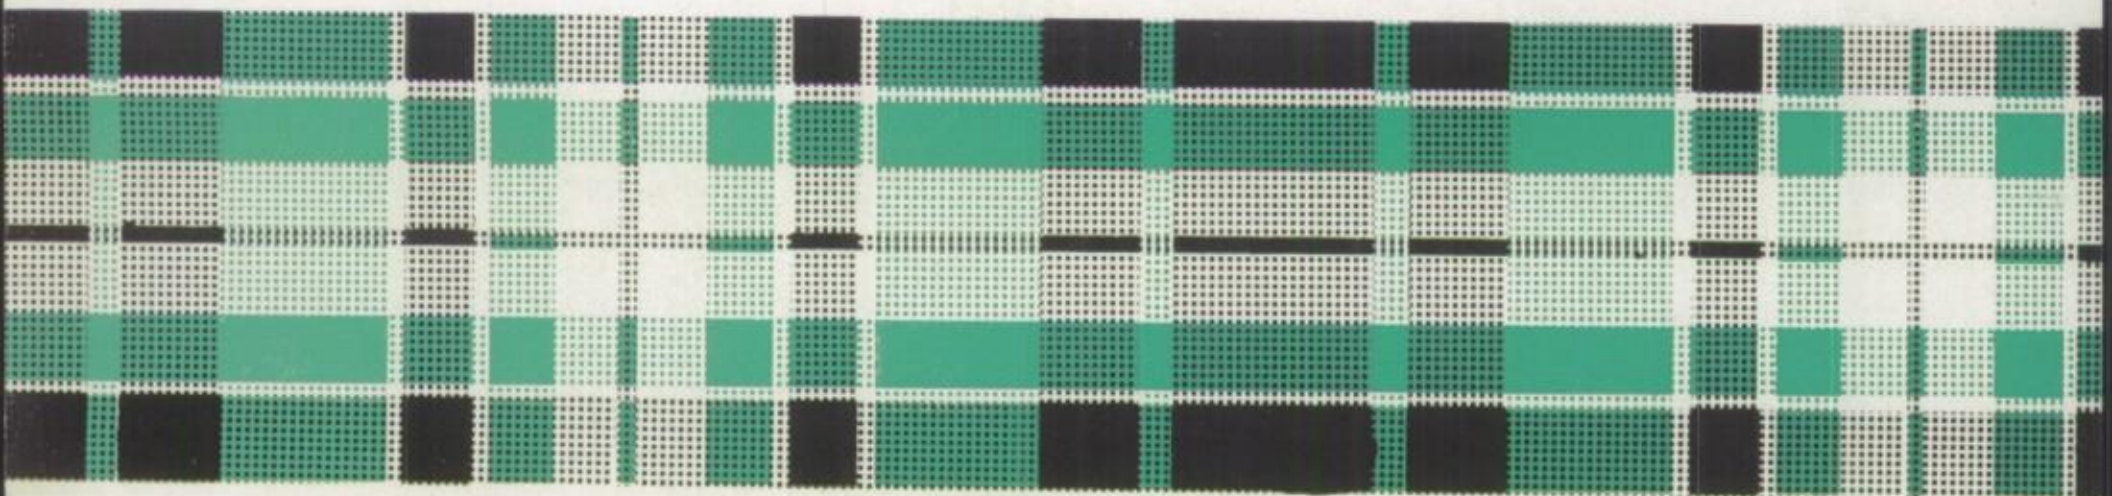

*Monte,
Best of
luck in anything
you do. You really
have a personality
that will shine
through in any
class you take.*

School Day

Classes take up the largest part of our school day. Seniors planning to go to college usually enroll in college preparatory classes such as Mr. Fisher's chemistry class. The class hour is spent in recitation, discussion, written work, and examinations. To do well in class, students must study out of class. Studying with classmates is often very beneficial as shown by Joyce Sawyer, Pat Rymer, and Beverly Heiss. Lunch is a welcome break in our daily schedule. While eating together every noon, these senior girls catch up on the latest gossip, tell jokes, and relate funny or tragic personal experiences. Every senior needs the expert guidance of his teachers and regular counselors to help him plan his future. Members of the faculty are always willing to aid the students. Miss Brock explains a rule of English Grammar to Peg Samys. The day ends . . . And so do the seniors' high school careers. All are happy to graduate, but all are sad to leave behind the fun, troubles, and work of high school life.

my for
Monte,
I really don't
know how to thank you
for all the words of wisdom.

All I can say is I love you
loads and cherish your friendship
above all others! Everything says seems
very inadequate. Best of everything to
a real "Radio Star".
Love,
R. Jack
